**RE: Docket No. 011306-TX**

Dear Paula Isler:

*TX 474*

This letter is a follow-up on today's telephone conversation. As I advised you, VortalConnect did not get funded and never provided goods or services, nor received any revenues. This will acknowledge that I am aware that the company was required to file returns despite the fact that no revenues were realized. As the company is now dormant while we seek funding, the company has decided to request decertification. Upon funding, we will reapply for certification. From our conversation, and upon this request for decertification, it is my understanding that the company owes a total of One Hundred Seventeen dollars (\$117.00) 2000 and 2001, including penalties and interest. Enclosed is my check in this amount in full payment of the company's outstanding obligations. If there is anything else that the company needs to do in order to be decertified, please contact me at the above-listed address, telephone number or e-mail address.

Ms. Isler, thank you very much for your assistance and patience.

Best regards,

*John S. McAvoy*
