 Subject: Docket No. 011235-TL, BellSouth code denials for the Poinciana and Palmetto switches in the Miami rate center

I am attaching the draft recommendation Nikki prepared for the above docket. As you know, since the code denial expedited process order has been finalized, we do not need to file a rec. I am also attaching a draft PAA order which was prepared using your template, along with the required memo to you requesting that a PAA order be issued within seven business days. Nikki has prepared a revised casr which she will be bringing around for your signature. It reflects dates for the expedited process. These codes are needed asap by Miami-Dade Fire Rescue. If you have any questions, please feel free to contact Nikki or I. Thanks.
