FPL asserts that the information described above is confidential information under both subsections (d) and (e) of Section 366.093, Florida Statutes. FPL seeks confidential classification for contractual and pricing information such as fuel prices by plant, and the timing of off system power requirements and purchases. Additionally, FPL requests confidential classification for other contractual data including payment records, purchase order numbers and contractor and supplier information, the disclosure of which would impair the efforts of FPL or its affiliates to contract for goods and services on competitive terms. Section 366.093(3)(d), Florida Statutes.

FPL asserts that, pursuant to Section 366.093, Florida Statutes, such information is entitled to confidential classification and is exempt from the mandatory disclosure provisions of the public records law. FPL asserts that this information "concerns bids or other contractual data the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms." Section 366.093(3)(d), Florida Statutes. FPL also asserts that the information for which it seeks confidential classification relates "to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Section 366.093(3)(e), Florida Statutes.

CONCLUSION

Upon review it appears that the information discussed above is proprietary, confidential business information and should be given confidential treatment for a period of eighteen months from the date of the issuance of this Order to avoid harm to the company and its ratepayers. Based on the foregoing, FPL's request for confidential treatment of Documents Nos. 09079-01, 09080-01, 09081-01, 09525-01 is granted.

DECLASSIFICATION

FPL also requests that the confidential information be returned to FPL "in accordance with section 366.093(4) of the Florida Statutes as soon as the information is no longer necessary for the Commission to conduct its business." However, these types of audit work papers are retained by the Commission for 25 years. Section 366.093(4), Florida Statutes, provides that "any finding by the Commission that records contain proprietary confidential business information is effective for a period not to exceed 18 months..." FPL did not specify a time period in its request. Therefore, this information shall be granted confidential classification for a period of 18 months from the date of issuance of this Order. If FPL wishes continued protection for these documents, they may petition for continued protection prior to expiration of the declassification date.

It is therefore

ORDERED by Commissioner Lila A. Jaber, as Prehearing Officer, that the information described in Florida Power and Light Company's request for confidential treatment of certain materials obtained during the fuel cost recovery audit for the year ending December, 2001, Documents Nos. 09079-01, 09080-01, 09081-01, and 09525-01, is granted confidential classification. It is further

ORDERED that the information described within the body of this Order shall be granted confidential treatment for 18 months from the date of this Order. It is further
