RE: Cancellation by Florida Public Service Commission of interexchange telecommunications certificates for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies.

Docket No. 011053-TI - Worldwide Gateway, Inc.

Docket No. 011066-TI - TelZero, Inc.

ISSUE 1: Should the Commission grant the companies listed on Attachment A of staff's October 25, 2001 memorandum a voluntary cancellation of their respective certificates?

RECOMMENDATION: No. The Commission should cancel each company's respective certificate on its own motion with an effective date as listed on Attachment A. In addition, the Division of the Commission Clerk and Administrative Services will be notified that the 2000 and 2001 RAFs, including statutory penalty and interest charges for the year 2000, should not be sent to the Comptroller's Office for collection, but that permission for the Commission to write off the uncollectible amount should be requested.

ISSUE 2: Should these dockets be closed?

RECOMMENDATION: Yes. The Order issued from this recommendation will become final upon issuance of a Consummating Order unless a person whose substantial interests are affected by the Commission's decision files a protest within 21 days of the issuance of the Proposed Agency Action Order. These dockets should then be closed upon cancellation of the certificate. A protest in one docket should not prevent the action in a separate docket from becoming final.
