Cc: Marguerite Lockard
Subject: RE: OSS Confidential Information

We will use this e-mail to return confidential DN 12981-99 in Docket 981834-TP.

Thanks for the information.

Kay

Kay, I believe we can send this information back. Do you need a memo, or will this e-mail suffice?

Subject: OSS Confidential Information

I believe that MGC is no longer participating in the OSS test. As such, could we return Document No. 12981-99 in Docket 981834? It also seems like old information anyway.
