**DEBTORS' MOTION FOR ORDER AUTHORIZING: (I) SALE OF  
DEBTORS' FLORIDA OPERATIONS PURSUANT TO SECTIONS 363 AND  
1146 OF THE BANKRUPTCY CODE, FREE AND CLEAR OF ALL LIENS AND  
ENCUMBRANCES, SUBJECT TO HIGHER AND BETTER OFFERS; (II)  
REJECTION OR ASSUMPTION AND ASSIGNMENT OF ANCILLARY  
CONTRACTS RELATED THERETO PURSUANT TO SECTION 365 OF THE  
BANKRUPTCY CODE; AND (III) GRANTING RELATED RELIEF**

PSA, Inc., ETS Payphones, Inc., ETS Payphones of Florida and certain of their affiliates, the chapter 11 debtors and debtors in possession herein (collectively, the "Debtors"), request an order, pursuant to sections 363 and 1146 of the Bankruptcy Code, authorizing the sale of Debtors' Florida operations free and clear of all liens, claims, interests and encumbrances; and, pursuant to section 365 of the Bankruptcy Code, authorizing the assumption and assignment or rejection of related ancillary contracts. In support of this motion (the "Motion"), the Debtors respectfully represent as follows:

**INTRODUCTION**

1. On September 11, 2000 and September 21, 2000 (collectively, the "Petition Date"), the Debtors filed their respective voluntary petitions for relief under chapter 11

of the Bankruptcy Code. Debtors are now operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. An official committee of creditors has been established in these cases and has retained counsel to represent its interests.

2. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue of Debtors' chapter 11 cases and this Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory predicate for the relief requested herein is sections 363, 365 and 1146 of the Bankruptcy Code and Rules 6004 and 6006 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

3. Debtors' cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) for procedural purposes only.

## BACKGROUND

### A. General

4. On March 15, 2001, the Court entered an order approving procedures by which Debtors were authorized to hold auctions for the sale of various assets. On or around October 18, 2001, Debtors sent notices to all parties in interest that, inter alia, the regional operations in Florida would be offered for sale at an auction to be conducted on November 9, 2001 (the "Auction"), using the procedures outlined in the March 15th Order ("Notice of Sale by Auction").

5. ETS Payphones, Inc. ("ETS") is a closely held corporation, headquartered in Lithia Springs, Georgia, a suburb of Atlanta. Ten (10) of ETS' wholly-owned subsidiaries are

also debtors in these cases. Debtors are in the business of operating and managing coin operated telephones at various locations throughout the United States.

6. On the Petition Date, Debtors were the second largest independent payphone operators in the United States. Debtors presently operate over 30,000 public payphones in the United States and Puerto Rico; Debtors currently employ more than 350 individuals.

B. The Florida Operations

7. Debtors' Florida branches operate approximately 5,500 payphones located throughout Florida. The operations are essentially comprised of leased office space, the payphones, equipment, inventory, site leases, equipment leases and forty-four (44) vehicles (the "Florida Operations").

8. During the administration of these cases, after due consideration, Debtors made a business judgment as to their needs and decided to sell the Florida Operations. In the course of marketing the Florida Operations, Debtors received an offer from United Payphone Owners, LLP ("United Payphone")<sup>1</sup> for the purchase of the Florida Operations. Accordingly, Debtors file this motion requesting authority to sell the Florida Operations.

9. United Payphone submitted a term sheet, in conjunction with the settlement of other issues, with regard to the purchase of the Florida Operations. Debtors believe that United Payphone's offer is fair and reasonable based upon Debtors' assessment of the Florida Operations.

---

<sup>1</sup> United Payphone is currently seeking approval of this proposed transaction by its members.

C. Term Sheet

10. The "Term Sheet" submitted by United Payphone provides for a closing date on or before ten (10) days after Bankruptcy Court approval. The salient terms of the Terms Sheet are as follows:

<u>Purchase Price:</u>	\$3,662,500 (subject to pre-auction adjustments based on concluding negotiations on miscellaneous inventory, equipment and vehicles) consisting of cash and other considerations. <sup>2</sup>
<u>Property Being Sold:</u>	Debtors' complete Florida Operations, including equipment and lease rights.
<u>Closing Date:</u>	Within 10 days of the entry of the order on this Motion or such other date agreed on by the parties.
<u>Deposit:</u>	\$366,250, 10% of total purchase price.
<u>Remedies:</u>	In the event United Payphone breaches United Payphone's obligations or warranties in the Purchase Agreement, the deposit may be retained by Debtors as liquidated damages in full settlement of all claims of Debtors.

11. Debtors and United Payphone are negotiating an Asset Purchase Agreement (the "Purchase Agreement"), a preliminary copy of which is attached hereto as Exhibit "A". While the Purchase Agreement remains subject to revision as a result of negotiations between the parties, Debtors propose to sell the Florida Operations pursuant to terms substantially similar to those outlined in the Purchase Agreement.

---

<sup>2</sup> The Purchase Price includes \$3,162,500 cash, and a non-cash component valued by the Debtors at approximately \$500,000. The non-cash component represents the value ascribed by Debtors to a settlement between Debtors and United Payphone, as of the time of the settlement, as more fully set forth in Debtors' Motion for Order Approving Settlement Agreement with United Payphone Owners, LLP. United Payphone asserts that the settlement value far

12. Although Debtors believe that the United Payphone offer is fair and reasonable, Debtors propose to subject the offer to higher and better bids through a public auction to insure the estates are receiving the highest and best offer for the assets. Debtors propose that any sale of the Florida Operations to a purchaser other than United Payphone be according to substantially similar terms and conditions as those set forth in the Purchase Agreement, excepting the purchase price and identity of the purchaser.

### RELIEF REQUESTED

13. Debtors seek an order of this Court, pursuant to sections 363, 365 and 1146 of the Bankruptcy Code, as supplemented by Bankruptcy Rules 2002, 6004 and 6006, authorizing and approving the sale of Debtors' interest in the Florida Operations pursuant to the terms of the Terms Sheet and Purchase Agreement and assumption and assignment or rejection of the Ancillary Contracts as hereinafter defined.

A. Approval Of The Proposed Sale

14. Debtors submit that the proposed sale satisfies the standards applicable in the Third Circuit governing such sales. Section 363(b) of the Bankruptcy Code provides that “[t]he trustee, after notice and hearing, may use, sell or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Courts within this circuit interpreting section 363(b)(1) have held that transactions should be approved under section 363(b)(1) when they are supported by the sound business judgment of management. See In re Delaware & Hudson Ry. Co., 124 B.R. 169, 176 (D. Del. 1991) (outlining requirements for sale of assets

exceeds \$500,000 and can submit subsequent bids in their discretion by increasing the non-cash component (or settlement value) of their bid.

pursuant to section 363); In re Phoenix Steel Corp., 82 B.R. 334, 335-36 (Bankr. D. Del. 1987) (stating that judicial approval of a section 363 sale requires a showing that the proposed sale is fair and equitable, that a good business reason exists for completing the sale, and that the transaction is in good faith); see also In re Titusville Country Club, 128 B.R. 396, 399 (Bankr. W.D. Pa. 1991); In re Industrial Valley Refrig. & Air Cond. Supp., 77 B.R. 15, 20 (Bankr. E.D. Pa. 1987).

15. The “sound business purpose” test requires a debtor to establish four elements to sell property outside the ordinary course of business:

- (i) that a “sound business purpose” justifies the sale of assets outside the ordinary course of business;
- (ii) that adequate and reasonable notice has been provided to interested persons;
- (iii) that the debtor has obtained a fair and reasonable price; and
- (iv) good faith.

See Titusville Country Club, 128 B.R. at 399; In re Sovereign Estates, Ltd., 104 B.R. 702, 704 (Bankr. E.D. Pa. 1989); Phoenix Steel Corp., 82 B.R. at 335-36; Industrial Valley, 77 B.R. at 21. The proposed sale is justified under section 363(b) because it satisfies all of the factors under the “sound business purpose test.”

(i) The Proposed Sale Is Supported by Sound Business Judgment

16. Clear business reasons exist to justify Debtors’ sale of the Florida Operations under section 363(b). Debtors have determined that a sale of the Florida Operations at this time is in the best interests of their estates because the Florida Operations are not necessary

for business purposes or for a successful reorganization. Debtors are seeking to consolidate operations and wish to relieve themselves of the burden of managing operations in Florida.

17. Based on the foregoing, Debtors submit that the proposed sale is supported by sound business judgment and is in the best interests of the Debtors' estates.

(ii) Debtors Have Provided Reasonable and Adequate Notice of the Sale to Interested Parties

18. Debtors have served the Notice of Sale by Auction on all Payphone Investors, parties to site leases, independent payphone service providers that might be interested in purchasing the Florida operations and all parties entitled to or required to receive notice pursuant to this Court's Order Establishing Notice Procedures [Docket No. 1190].

19. In light of the previously served Notice of Hearing, Notice of Auctions and Solicitation for Bids on Certain of Debtors' Business Assets, and Terms and Conditions of the Auctions [Docket No. 1913], and in satisfaction of the requirements of Bankruptcy Rules 2002, 6004 and 6006, Debtors have served copies of this Motion, by first class mail, upon: (a) the United States Trustee; (b) counsel to the Creditors' Committee; (c) all parties in attendance at the Auction; and (d) all other parties requesting notice pursuant to Bankruptcy Rule 2002. The Debtors submit that no other, or further, notice is required.

(iii) The Proposed Sale Price Is Fair and Reasonable

20. United Payphone's offer is fair and is the highest received based on continued marketing efforts. It was made and accepted in an arm's-length transaction.

21. Debtors continue to be motivated to seek out potential purchasers who might pay more for the Florida Operations, and the sale is subject to higher and better bids.

22. Based upon the foregoing and Debtors' own understanding of the relevant payphone markets, Debtors believe that the purchase price meets the fair and reasonable test of Bankruptcy Code section 363(b)(1).

(iv) The Sale Was Negotiated in Good Faith

23. The Purchase Agreement is the product of good faith, arm's-length negotiations between Debtors and United Payphone. For these reasons, the proposed sale satisfies the good faith element of the "sound business purpose" test. In re Abbotts Dairies of Pennsylvania, Inc., 788 F.2d 143, 147-48 (3d Cir. 1986) ("Typically, the misconduct that would destroy a purchaser's good faith status at a judicial sale involves fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders."); Industrial Valley, 77 B.R. at 22 (evidence of inside dealing fatal to good faith requirement).

B. United Payphone is a Good Faith Purchasers Under Section 363(m) of the Bankruptcy Code

24. Debtors requests the Court to find that United Payphone is entitled to the protections provided by section 363(m) of the Bankruptcy Code in connection with the proposed sale. Section 363(m) of the Bankruptcy Code provides, in pertinent part:

(m) The reversal or modification on appeal of an authorization under subsection (b) ... of this section of a sale ... of property does not affect the validity of a sale ... under such authorization to an entity that purchased ... such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale ... were stayed pending appeal.

11 U.S.C. § 363(m).

25. Thus, section 363(m) protects the purchaser of assets sold pursuant to section 363 from the risk that it will lose its interest in the purchased assets if the order allowing the sale is reversed on appeal.

26. As required by section 363(m), both Debtors and United Payphone have acted in good faith in negotiating the Purchase Agreement and sale. Although the Bankruptcy Code does not define “good faith purchaser,” the Court of Appeals for the Third Circuit, construing section 363(m) of the Bankruptcy Code, has stated that “the phrase encompasses one who purchases in ‘good faith’ and for ‘value.’” In re Abbotts Dairies of Pennsylvania, Inc., 788 F.2d 143, 147 (3d Cir. 1986). To constitute lack of good faith, a party’s conduct in connection with the sale must usually amount to “fraud, collusion between the purchaser and other bidders or the trustee or an attempt to take grossly unfair advantage of other bidders.” Id. (citing In re Rock Indus. Mach. Corp. 572 F.2d 1195, 1198 (7th Cir. 1978)). See also In re Bedford Springs Hotel, Inc., 99 B.R. 302, 305 (Bankr. W.D. Pa. 1989); Matter of Perona Bros., Inc., 186 B.R. 833, 839 (D. N.J. 1995). Due to the absence of a bright-line test for good faith, the determination is based on the facts of each case, concentrating on the “integrity of [an actor’s] conduct during the sale proceedings.” In re Pisces Leasing Corp., 66 B.R. 671, 673 (E.D.N.Y. 1986) (quoting In re Rock Indus. Mach. Corp., 572 F.2d at 1998).

27. Here, the sale proposed herein meets the foregoing tests. There has been no fraud or collusion in the terms of the proposed sale, and all negotiations were undertaken at arm’s length.

C. Request For Approval Of Proposed Sale Free And Clear Of Liens, Claims, Encumbrances And Interests

28. Debtors request authority to sell the Florida Operations free and clear of any and all liens, claims, encumbrances or interests that may be asserted (collectively, the “Encumbrances”) with any such Encumbrances to attach to the sale proceeds.

29. In accordance with section 363(f) of the Bankruptcy Code, a debtor-in-possession may sell property free and clear of any lien or interest in such property if:

- (a) such a sale is permitted under applicable non-bankruptcy law;
- (b) the party asserting such a lien, claim or interest consents to such sale;
- (c) the interest is a lien and the purchase price for the property is greater than the aggregate amount of all liens on the property;
- (d) the interest is the subject of a bona fide dispute; or
- (e) the party asserting the interest could be compelled, in a legal or equitable proceeding, to accept a money satisfaction for such interest.

11 U.S.C. § 363(f); In re Elliot, 94 B.R. 343, 345 (E.D. Pa. 1988) (section 363(f) written in disjunctive; court may approve sale “free and clear” provided at least one of the subsections is met).

30. Debtors are not aware of any creditor asserting a lien against the Florida Operations. A declaratory judgment action is pending in this Court to determine the nature of the Payphone Investors’ interests in the payphones. Debtors intend, as with sales previously approved by this Court, to hold the sale proceeds in escrow pending resolution of the declaratory judgment action. Accordingly, it is submitted that it is appropriate to authorize Debtors to sell the Florida Operations free and clear of liens, interests and encumbrances.

D. Sale Of The Florida Operations By Private Sale

31. Debtors believe a private sale is appropriate under the circumstances. To ensure appropriate notice of the sale and provide an opportunity for higher and better bids, Debtors will provide notice of this motion to all parties Debtors believe might be interested in bidding on the Florida Operations. Further, interested parties are invited to submit competing bids, in writing, to Debtors' counsel at or before the Auction. If any competing bids are received, Debtors will conduct the Auction for the sale of the Florida Operations on November 9, 2001.

32. In accordance with Bankruptcy Rule 6004(f)(1), sales of property outside of the ordinary course of business may be by private sale or by public auction. See Fed. R. Bankr. P. 6004(f)(1). Debtors have determined that the proposed sale of the Florida Operations will enable Debtors to obtain the highest and best offer for the Florida Operations. Therefore, if no competing bids are timely received, Debtors believe that a private sale is in the best interests of Debtors, their creditors and other parties in interest.

33. As further assurance, the sale will be subject to higher and better offers at or prior to the Auction. The following terms and conditions shall govern the Auction and bidding procedures:

- (a) Bids for the Florida Operations must be received by counsel for Debtors at the address below by private written bid at or before the Auction.
- (b) The Florida Operations will be offered to the bidder making the offer that Debtors deem to be, in their discretion after consultation with the Committee, the highest or best offer.
- (c) To become a qualified bidder, potential bidders must provide Debtors at or before the Auction with either certified financial statements or evidence of financial wherewithal, experience and other relevant considerations, and any other information Debtors

may, in their discretion, require to determine the bidder is able to consummate a transaction as contemplated herein.

- (d) In addition, at or before the Auction, to be qualified to bid upon the Florida Operations potential bidders must deliver to Debtors' counsel in good funds ten percent (10%) of the amount of their written bid which amount shall be applied to a successful bid or returned upon written request to Debtors' counsel within two business days. At the option of an unsuccessful bidder, the funds may be left on deposit with Debtors' counsel to keep a bid in place as a backup. If a successful bidder on a sale approved by the Court shall fail to close by the "Closing Date," as defined below, the ten percent (10%) general deposit required shall be retained by Debtors as liquidated damages, and not a penalty, it being agreed by the parties participating in the Auction in advance that actual damages are impossible of precise determination.
- (e) All offers accepted by Debtors, whether at Auction or private sale, shall be subject to the approval of the Court.
- (f) To the extent a bid involves any contingency, delayed payment, or non-cash component, Debtors may, at their option, value such components at any amount, including zero, and the bidder shall have no rights of appeal whatsoever from such valuation.<sup>3</sup>
- (g) Successful bidders must, at the conclusion of the Auction or within such extended period as Debtors may permit, deliver to Debtors good funds in an amount equal to ten percent (10%) of their accepted

---

<sup>3</sup> The Purchase Price includes a non-cash component valued by the Debtors at approximately \$500,000. The non-cash component represents the value ascribed by Debtors to a settlement between Debtors and United Payphone, as of the time of the settlement, as more fully set forth in Debtors' Motion for Order Approving Settlement Agreement with United Payphone Owners, LLP. United Payphone asserts that the settlement value far exceeds \$500,000 and can submit subsequent bids in their discretion by increasing the non-cash component (or settlement value) of their bid. If circumstances warrant, United Payphone may assert a higher value in response to an all cash bid in excess of the Purchase Price and have the Court determine what value, if any, in excess of \$500,000, should be given to United Payphone's non-cash component of its offer. Additionally, United Payphone may challenge any non-cash valuation offered and have its non-cash valuation minimum of \$500,000 increased by finding of the Bankruptcy Court.

bid, which will not be refunded, but will be retained as liquidated damages if the bidder fails to consummate the sale of the Florida Operations within the time period required herein or as extended by agreement of Debtors. (A deposit to obtain qualified-bidder status shall be a credit toward the ten percent.)

- (h) At the close of the Auction, with consultation from the Committee, Debtors shall consider Auction results for the Florida Operations. Debtors shall seek approval from the Court at the November 27, 2001 hearing for the qualified bid which they believe represents the highest or best offer received for the Florida Operations.
- (i) After consultation with the Committee, Debtors reserve the right (a) to determine in their discretion which competing qualified bids, if any, for the Florida Operations is the highest or otherwise best qualified bid and (b) to reject any bid (other than United Payphone's initial bid as set forth in this Motion) which Debtors after consultation with the Committee believe to be (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, or the terms of the sale order, or (iii) contrary to the best interests of Debtors and their estates.
- (j) If a closing with a successful qualified bidder is not concluded by the Closing Date or within such other time as is further agreed by Debtors, after consultation with the Committee, Debtors may, without further Court approval or order, conclude the contemplated transactions with the next highest or best qualified bidder in accordance with the terms of the next highest or best qualified bidder's bid, providing such bid has been approved by the Court as a back-up bid.
- (k) The Florida Operations shall be transferred on an "AS IS," "WHERE IS," and "WITH ALL FAULTS" basis. **DEBTORS EXPRESSLY DISCLAIM ALL EXPRESS AND IMPLIED WARRANTIES WITH RESPECT TO THE Florida OPERATIONS, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF**

**MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

- (l) All of Debtors' interests in the Florida Operations sold shall be sold free and clear of any, encumbrances with all encumbrances, if any, attaching to the net proceeds of the sale with the same force and in the same priority as currently exists, subject to the order of the Court approving the sale.
- (m) The sale of the Florida Operations is an essential element of Debtors' and Committee's Joint Plan of Reorganization filed on July 25, 2001 in this case and, pursuant to section 1146(c) of the Bankruptcy Code, the making or delivery of an instrument of transfer related to the sale of Florida Operations by Debtors to the purchaser, including without limitation the filing of a document evidencing this transfer with the register of deeds, contemplated to be necessary to effectuate the transfer of the Florida Operations pursuant to this Motion, shall not be taxed under any law imposing a stamp tax or similar tax.
- (n) The first acceptable bid announced at the Auction for the Florida Operations shall be the offer of United Payphone as set forth in this Motion. Each subsequent bid must exceed the previous bid by not less than \$200,000. Debtors retain the right to lower any minimum incremental bids at the Auction in Debtors' discretion.
- (o) By participating in the Auction, each qualified bidder shall be deemed to have reviewed the Florida Operations and all pertinent documents before bidding and to rely solely on its review in making any offer.
- (p) If deemed to be the successful bidder, immediately upon the conclusion of the Auction (or by such time as Debtors may agree), such qualified bidder shall deliver good funds by certified, bank check, wire or other acceptable means ("Good Funds") to Debtors, in an amount equal to ten percent (10%) of the purchase price of (the "Purchase Price Deposit"). The amount deposited to become a qualified bidder shall be a credit against the ten percent (10%) deposit.

- (q) Debtors shall have no duties or obligations except those expressly set forth herein and shall not be required to invest the deposits in an interest earning account or to segregate each deposit, but may, in their sole discretion, do so. If there is a dispute between a qualified bidder and Debtors, Debtors shall have the right to retain the Purchase Price Deposit, and either party may apply to the Court for a determination of the rights and obligations of the parties. The Court shall retain jurisdiction to resolve all disputes with respect to the Purchase Price Deposit.
- (r) The closing of the sale of Debtors' interests in the Florida Operations (the "Closing") shall take place (i) within ten business days following approval by the Court of the sale and the entry of the order approving the assumption, assignment and sale of the leases to the successful bidder, or (ii) at such later time as may be agreed to by Debtors in their sole discretion, not to exceed an additional twenty days unless otherwise provided by the Court (the "Closing Date"). With respect to the Closing, time is of the essence against the bidder and to the benefit of the Debtors.
- (s) At closing, the successful bidder shall pay the balance of the purchase price in Good Funds.
- (t) All adjustments to be made in connection with the Closing shall be made as of midnight of the date preceding the Closing (the "Adjustment Date"). Any adjustments attributable to escalation or pass-through charges that would be billed after the Adjustment Date shall be made based upon the most recent billing received by Debtors for such charges. The bidder shall be liable for all obligations from the Adjustment Date forward and shall indemnify Debtors with respect thereto.

34. The Auction of the Florida Operations shall be conducted on November 9, 2001 at 10:00 a.m., at the offices Powell, Goldstein, Frazer & Murphy LLP, Sixteenth Floor, 191 Peachtree Street, N.E., Atlanta, Georgia 30303 pursuant to the terms and conditions set forth

above. Qualified bidders that have submitted written bids and the required deposit may participate by phone.<sup>4</sup>

35. A hearing shall be conducted before the Court on November 27, 2001 at 2:00 p.m. (the "Post-Auction Hearing"), or as soon thereafter as counsel may be heard, in the United States Bankruptcy Court, 844 North King Street, Wilmington, Delaware 19801 to consider the approval of the sale of the Florida Operations at the Auction, pursuant to sections 363, 365 and 1146 of the Bankruptcy Code, to the bidder with the highest or best bid accepted in Debtors' sole discretion and to consider the approval of the rejection or assumption and assignment of any executory contracts or unexpired leases related to the Florida Operations, pursuant to section 365(a) of the Bankruptcy Code.

E. Request for Relief From Transfer Taxes Under Section 1146(c)

36. Section 1146(c) of the Bankruptcy Code provides that the making or delivery of an instrument of transfer under a confirmed chapter 11 plan of reorganization may not be taxed under any law imposing a stamp or similar tax. See 11 U.S.C. 1146(c). The Third Circuit has construed this provision to include transfers under a sale outside of, but in furtherance of effectuating, a plan of reorganization. See Director of Revenue, State of Delaware v. CCA Partnership (In re CCA Partnership), 70 B.R. 696 (Bankr. D. Del. 1987), aff'd 72 B.R. 765 (D. Del. 1987), aff'd 833 F.2d 304 (3d Cir. 1987). This view is shared by the Courts in the Second Circuit. See In re Jacoby-Bender, Inc., 40 B.R. 10 (Bankr. E.D.N.Y. 1984), aff'd 758 F.2d 840 (2d Cir. 1985); In re 995 Fifth Avenue Assocs., L.L.P., 116 B.R. 384 (Bankr. S.D.N.Y. 1990),

37. The sale of the Florida Operations will enhance Debtors' liquidity that will increase its ability to reorganize. This is precisely the circumstance contemplated by the Third Circuit in its prior rulings. Accordingly, Debtors respectfully request a ruling of this Court that section 1146(c) of the Bankruptcy Code applies to the proposed sale of the Florida Operations pursuant to the Purchase Agreement.

F. Authorization for Assumption and Assignment or Rejection of Ancillary Contracts

38. Debtors also seek authority to assume and assign to United Payphone, or to reject, the contracts listed on Exhibit "B"<sup>5</sup> attached hereto (the "Ancillary Contracts"). Upon conclusion of the Auction and selection of the successful bidder, Debtors, in conjunction with the successful bidder, will identify which contracts and leases are to be assumed and assigned and which will be rejected. Notice of these decisions will be sent as expeditiously as possible to the parties to the contracts and leases prior to the November 27, 2001 hearing. The Ancillary Contracts will no longer be necessary or beneficial to the administration of Debtors' estates, as Debtors will no longer be operating the Florida Operations.

39. Section 365(a) of the Bankruptcy Code provides in pertinent part that a debtor in possession "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." 11 U.S.C. § 365(a). The standard applied to determine whether

<sup>5</sup> Debtors have conducted a thorough search of their records and represent that Exhibit "B" lists all contracts and leases related to the Florida Operations. Debtors have not concluded their analysis of the contracts and leases listed on Exhibit "B." Accordingly, Debtors expressly reserve their rights to assert that any agreement on Exhibit "B" is not an executory contract capable of assumption or assignment or that the Debtors are not a party to any binding agreement under any applicable provision of the Bankruptcy Code. However, to the extent additional contracts and leases are located, Debtors reserve their rights to assume and assign, or reject such contracts and leases at the hearing on this Motion.

the assumption and assignment or rejection of an executory contract or unexpired lease should be authorized is the “business judgment” standard. See Sharon Steel Corp. v. National Fuel Gas Distribution Corp. (In re Sharon Steel Corp.), 872 F.2d 36, 40 (3d Cir. 1989); see also NLRB v. Bildisco & Bildisco, 465 U.S. 513, 523 (1984). This standard is satisfied if the debtor determines in its business judgment that a benefit will be realized by the rejection of the contract or lease. Sharon Steel Corp., 872 F.2d at 39-40 (citing In re Wheeling-Pittsburgh Steel Corp., 72 B.R. 845, 846 (Bankr. W.D. Pa. 1987)). The business judgment standard requires that the Court approve the debtor’s business decision unless that judgment is the product of bad faith, whim or caprice. See Lubrizol Enterprises v. Richmond Metal Finishers, Inc. (In re Richmond Metal Finishers, Inc.), 756 F.2d 1043, 1047 (4th Cir. 1985), cert. denied, 475 U.S. 1057 (1986).

40. Based on the foregoing, in the exercise of sound business judgment, Debtors seek authority to assume and assign or reject the respective Ancillary Contracts pursuant to section 365(a) of the Bankruptcy Code. Pursuant to section 365(b), Debtors will cure existing defaults related to the contracts to be assumed and assigned to United Payphone. Debtors request authority to use the proceeds of the sale to cure all defaults.

#### NOTICE

41. Debtors will serve notice of this Motion on the United States Trustee, counsel to the Committee, all parties attending the Auction, and all parties requesting notice pursuant to Rule 2002. It is respectfully submitted that no further notice of this motion is required.

CONCLUSION

42. For all of the foregoing reasons, Debtors respectfully request that this Court enter an order: (a) approving the sale of the Florida Operations pursuant to Purchase Agreement as amended to United Payphone or such other higher or better purchaser identified at the Auction and announced to the Court at the hearing on this Motion; (b) authorizing the assumption and assignment or rejection of the Ancillary Contracts; and (c) granting such other and further relief as may be just and proper.

## Asset Sale Agreement

This Asset Sale Agreement (this "Agreement") is entered into and effective on November 9, 2001 between ETS Payphones, Inc., a Delaware corporation, ("Seller") and United Payphone Owners, LLP, a Nevada limited liability partnership "Buyer" pursuant to a certain Settlement Outline ("Settlement Agreement") previously executed by the parties.

### WITNESSETH:

**WHEREAS**, the Seller is engaged in the business of owning, installing, operating and servicing public pay telephones within the state of Florida (the "Business");

**WHEREAS**, the Seller is a debtor in possession under chapter 11 of title 11 of the United States Code, 11 U.S.C. § 101-1330 (as amended and supplemented, the "Bankruptcy Code"), in a bankruptcy case being jointly administered under Case No. 00-03570 (JCA) (the "Bankruptcy Case") now pending in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court");

**WHEREAS**, the Buyer is an interested party in the Bankruptcy Case, with a standing claim against the Seller;

**WHEREAS**, in connection with the Bankruptcy Case, pursuant to section 363 of the Bankruptcy Code, and in furtherance of the Settlement Agreement, the Seller desires to sell, and the Buyer desires to buy, substantially all of the Seller's Florida assets for cash and the release of all claims; and

**WHEREAS**, in connection with the execution of this Agreement the Buyer is delivering to the Seller, in immediately available funds, the Purchase Deposit, which is 10% of the Purchase Price, as set forth in Section 3.1 hereto;

**NOW, THEREFORE**, the parties hereto hereby agree to the above recitations and as follows:

**Assets are being sold "as-is."  
See disclaimer of warranties in Section 5.6.**

## Section 2

### Purchase and Sale of Assets

2.1 Purchase and Sale. Subject to all the terms and conditions of this Agreement and approval by the Bankruptcy Court, and for the consideration herein stated, on the Closing Date, the Seller agrees to sell, convey, assign and transfer to the Buyer, and the Buyer agrees to purchase and accept from the Seller, the assets, properties and rights described below (the "Sale Assets"), on an "as is" and "where is" basis, without representations or warranties except to the extent expressly set forth in this Agreement, free and clear of all liens, claims and encumbrances. The Sale Assets shall include all of the Seller's right, title and interest in and to:

- (a) the Florida public pay telephones and related equipment listed on Schedule 2.1(a) (the "Phone Equipment");
- (b) the Florida registered vehicles listed on Schedule 2.1(b) (the "Vehicles");
- (c) interest as lessee in the lease(s) of real property identified on Schedule 2.1(c) (the "Leases");
- (d) the furniture, fixtures, equipment, office and general supplies, customer lists, promotional materials, personnel records of employees who become employees of the Buyer as of the Closing and incidental items located in Florida and used in the operation of the Business (the "Office and Maintenance Equipment, Supplies and Records");
- (e) the contracts with various parties that allow the Seller to install and operate its public pay telephones on their property in Florida (the "Florida Site Contracts");
- (f) the contracts with various parties that Seller has terminated or otherwise removed operating equipment from in Florida ("Abandoned Site Contracts");
- (g) the licenses, permits, registrations and authorizations for Seller's Florida operations (the "Permits");
- (h) all of the Seller's interest in and to the pay telephone numbers (the "ANI's") listed on Schedule 2.1(a).

The parties acknowledge that the Sale Assets are subject to fluctuation in the normal course of business as the Seller continues to operate in accordance with Section 6.3 of this Agreement.

Permits are transferred only to the extent that they may be transferred without approval of the permitting authority. The Seller shall reasonably cooperate in seeking approvals of Legal Authorities to facilitate the transfer of any Permit; provided, however, that (i) obtaining any such approvals shall not be a condition to or delay the Closing and the failure to obtain any such approvals shall not result in an adjustment of the Purchase Price, as set forth in Section 3.1; and

(ii) Buyer shall be responsible for all costs associated with the transfer or assignment of such licenses, permits, registries, registrations, authorizations, and franchises.

The Buyer hereby grants the Seller, for a period of three years after the Closing, the right to access and copy any business records of Seller, which are transferred to Buyer that the Seller, in its sole discretion, determines are needed to prepare financial statements, prepare tax returns or otherwise support representations to Legal Authorities, or to defend against, or participate in, any actual or pending lawsuit or administrative action, including the Bankruptcy Case.

2.2 Assumption and Assignment of Executory Contracts and Abandoned Site Contracts. All of the Florida Site Contracts and Leases shall be assumed by the Seller and assigned to Buyer pursuant to section 365 of the Bankruptcy Code, and assumed by the Buyer at Closing by operation of this Agreement. The Buyer agrees to cooperate in providing information to adequately assure parties to Florida Site Contracts and Leases of its ability to perform such contracts from and after the Closing Date. The Seller shall be responsible for paying all pre-Closing cure costs pursuant to section 365 of the Bankruptcy Code in respect of the contracts being assumed (the "Cure Costs") at the Closing (or as soon thereafter as possible if Cure Costs cannot be finally and accurately determined prior to the Closing Date), included all amounts due in arrears on any license, permit, registration, authorization or franchise needed to operate the Sale Assets, including fees of the Florida Public Utility Commission. The Abandoned Site Contracts will not be assumed by the Seller. The documents that governed the Abandoned Site Contracts will be physically turned over to the Buyer but Seller will not have assumed and will have no obligation to cure. Buyer acknowledges that many of the abandoned site contracts were terminated with amounts due to the site owner. Buyer shall have the right, however, until the earlier to occur of (i) the 60<sup>th</sup> day from the Closing and (ii) the Effective Date of the Seller's bankruptcy plan, to request in writing that the Seller assume and assign any Florida Abandoned Site Contract. Buyer shall deposit \$5,000 with Seller toward legal fees necessary to draft and file such motion papers and shall deposit the estimated cure amount requirements with Seller. Within 21 days of the receipt of such request Seller shall file any necessary motions to assume and assign such Abandoned Site Contracts to Buyer, with adjustments made by the parties to the cure amounts deposited so that Buyer will have paid exactly the actual amount of cure costs paid by Seller on these Abandoned Site Contracts.

2.3 Excluded Assets. All assets of the Seller not listed in Sections 2.1 or 2.2 will not be transferred to Buyer pursuant to this Agreement (the "Excluded Assets"), these assets include, but are not limited to, all cash and cash equivalents (including coin in the phones), proceeds of every nature attributable to the operation of the Sale Assets prior to the Closing Date (including disputed Local Exchange Carrier ("LEC") telephone bills, disputed End User Common Line ("EUCL") charges, if any, and accrued dial-around compensation payments), bank accounts, the trade name "ETS Payphones, Inc.", and proceeds of insurance.

2.4 Assumed and Excluded Liabilities. By operation of this Agreement Buyer shall assume from the Seller and thereafter pay, perform, and/or discharge in accordance with their respective terms, all:

- (a) liabilities arising from the Sale Assets after the Closing;

- (b) liabilities and obligations arising from each and every assumed and assigned Site Contract and Lease after the Closing, and all prorated portions of such agreements for periods after the Closing, subject to Seller's obligation to pay commissions, fees and rent incurred prior to Closing, prorated or otherwise allocated pursuant to Section 3 hereof;
- (c) all other duties, responsibilities, and obligations that arise or which by their terms are to be observed, paid, discharged, or performed, as the case may be, on or after the Closing Date with respect to the Sale Assets; and
- (d) liabilities and obligations as set forth in Section 6.4 hereof.

The liabilities to be assumed pursuant to the preceding sentence shall be referred to herein as the "Assumed Liabilities" and all other liabilities associated with the Sale Assets shall be referred to herein as the "Excluded Liabilities".

### Section 3

#### Purchase Price

##### 3.1 Purchase Price.

(a) As full consideration for the Sale Assets the Buyer agrees to pay to the Seller in immediately available funds by wire transfer confirmed at the Closing \$3,162,500 plus the release of all claims by Buyer against Seller in the Bankruptcy, or otherwise arising prior to the date of Closing, which are valued hereby at \$500,000, resulting in a total purchase price of \$3,662,500 (the "Purchase Price")<sup>1</sup>, plus an amount equal to the Phone Equipment Cash (as defined below), less the amount of the Purchase Deposit, which Purchase Deposit shall be retained by the Seller.

(b) In conjunction with the Closing, the Seller shall perform a computerized polling of its pay phone network as of midnight on the night immediately preceding the Closing Date, and consistent with standard Seller practices shall produce a computerized daily report called a "Hit List." The Hit List run as of midnight prior to the Closing Date (the "Pre-Closing Hit List") shall be provided to Buyer prior to or at the Closing. The result of the Pre-Closing Hit List shall be final and binding for the purpose of determining the amount of cash in the pay phones reported on the Pre-Closing Hit List. The sum of all cash in the phones reported on the Pre-Closing Hit List shall be the "Phone Equipment Cash." For any phone which does not report on the Pre-Closing Hit List ("Non-Reporting Phone"), the Buyer will, daily, as soon as possible after the Closing, perform maintenance on the phone and re-run the Hit List so that every phone that did not report on the Pre-Closing Hit List is reported (the "Post-Closing Hit List"). The Post-Closing Hit List and an amount equal to the cash

---

<sup>1</sup> The Purchase Price does not take into account the value ascribed to the settlement of the claim and objection that Buyer has against Seller, although Seller values same at \$500,000. Buyer values these rights at a much greater amount, and Buyer specifically reserves the right to claim a higher value as set forth in Section 8.4. Regardless, for the purposes of the noticed sale, the Purchase Price equals \$3,162,500 plus \$500,000.

reported for each phone that did not report on the Pre-Closing Hit List shall be provided to the Seller within five business days of the Closing Date.

(c) The amounts due to the Seller from providers of dial-around telecommunication services to the Seller (the "Dial-Around Service Providers") in the quarter in which the Closing takes place shall be prorated by the number of days elapsed in such quarter prior to the Closing Date. It shall be the obligation of the Seller to make submissions for the calendar quarter in which the Closing takes place. The Seller shall promptly remit to the Buyer (i) receipts from Dial-Around Service Providers on account of the balance of the calendar quarter after the Closing Date and (ii) copies of any and all data returned to the Seller from the Dial-Around Service Providers, including but not limited to, any computer disc(s) and printed copies of reports from the Dial-Around Service Providers. Under no circumstances will more than fourteen days elapse following receipts from Dial-Around Service Providers before such receipts are forwarded to the Buyer. The Seller shall provide the Buyer with copies of all submissions for payment to Dial-Around Service Providers for the quarter in which the Closing takes place. The Buyer shall provide the Seller with copies of all submissions for payment to Dial-Around Service Providers before such submissions are transmitted for a period of two years following the Closing Date, or until the Seller states in writing that such reports need not be transmitted. The Buyer shall maintain, and the Seller shall have the right to inspect, all books and records of the Buyer relating to the Dial-Around Service Providers for a period of three years following the Closing Date.

3.2 Payment of Purchase Price. The Seller shall provide the Buyer with written wire transfer instructions at least two business days before the Closing Date.

3.3 Allocation of Purchase Price. The Purchase Price shall be allocated among the Sale Assets in the manner as shall be mutually agreed by the Seller and the Buyer prior to the Closing.

3.4 Prorations and Adjustments. Expenses and receipts, including but not limited to, amounts payable under the Florida Site Contracts, Leases and Permits, as well as any taxes owing with regard to the Sale Assets, compensation paid to Buyer from pre-Closing disputed LEC bills, and all other similar items of expense or receipt related to the Sale Assets shall be prorated between the Seller and the Buyer as of the Closing Date. If either the Buyer or Seller receives or otherwise holds funds that the other (the "Recipient Party") is so entitled to, the Buyer or Seller, as the case may be, shall hold the funds in trust for the Recipient Party. Commencing upon the Closing Date and continuing thereafter for one year, on the last day of each month, the Seller shall report to Buyer and Buyer shall report to the Seller the amounts of such payments held by the responsible party and such amounts shall be paid to the Recipient Party as soon as reasonably practicable, but not less frequently than monthly. After such one-year period, the Seller shall co-operate with Buyer and Buyer shall co-operate with the Seller to allocate and remit to the Recipient Party any accounts receivable collected by the responsible party and shall continue to hold such payments in trust for the Recipient Party and remit such payments so held periodically as received. In the event of any dispute concerning prorations and adjustments, and payment thereof, each party hereto consents to the exclusive jurisdiction of the Bankruptcy Court in the Bankruptcy Proceeding for the adjudication of such dispute.

## Section 4

### Representations and Warranties of the Buyer

The Buyer represents and warrants to the Seller as follows:

4.1 Authorization and Enforceability. The Buyer is as stated in the preamble and is legally qualified to do business, and has all requisite power and authority (corporate or otherwise) to own, lease and operate its properties and to carry on its business as now conducted. The Buyer has taken or is taking all action necessary to authorize its execution, delivery and performance of this Agreement and all other agreements and instruments reasonably necessary to complete the transactions contemplated by this Agreement and has or will have full power and authority to enter into this Agreement and such other agreements and instruments and carry out the terms hereof and thereof on the Closing Date. The Buyer has duly executed and delivered this Agreement and this Agreement is the valid and binding obligation of the Buyer enforceable in accordance with its terms. Subject to Section 7.2, Buyer has sufficient available funds and resources to pay the Purchase Price and operate the Sale Assets pursuant to the contracts being assumed.

4.2 Compliance. The execution, delivery and performance of this Agreement by the Buyer, the compliance by the Buyer with the provisions of this Agreement and the consummation of the transactions contemplated by this Agreement will not conflict with or result in the breach of any of the terms or provisions of or constitute a default under:

- (a) the certificate of incorporation or by-laws of the Buyer and shall have been approved in accordance with the same;
- (b) any note, indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which the Buyer is a party or by which the Buyer is bound; or
- (c) any material statute or any order, rule or regulation or any decision of any federal, state, local or foreign court or regulatory authority or administrative or arbitral body, agency or tribunal, or any other governmental body whatsoever ("Legal Authority") applicable to the Buyer.

4.3 Consents. The Buyer has obtained, or shall have obtained prior to the Closing, all material consents, authorizations or approvals of any third parties and limited partners required to be obtained in connection with the execution, delivery and performance of this Agreement. The Buyer has made, or will have made prior to the Closing, all material registrations or filings with any Legal Authority required for the execution and delivery of this Agreement by the Buyer and the consummation of the transactions contemplated hereby if any are required in addition to the Sale Order.

4.4 Brokers. The Seller has no obligation to pay any fees or commissions to any broker, finder, agent or other intermediary in connection with the negotiation or consummation of the transactions contemplated hereby as a result of any action or agreement of the Buyer.

4.5 Legal Proceedings. There are no claims, actions, suits, inquiries, investigations or proceedings before any Legal Authority pending or, to the Buyer's knowledge, threatened against the Buyer relating to the transactions contemplated hereby; provided, however, that Seller acknowledges that Buyer has advised Seller that Buyer is subject to an ongoing investigation by the United States Securities and Exchange Commission.

4.6 No Collusion in Bidding. The Buyer was not and will not become a party to any agreement or understanding, whether explicit or tacit, with any other person with respect to or affecting the amount of the Buyer's or any other person's bid, or the determination by any such person or party either to bid or not to bid, for the Sale Assets in connection with the Bankruptcy Case. The Buyer is not aware of any such agreement or understanding between any other persons.

## Section 5

### Representations and Warranties of the Seller

The Seller represents and warrants to the Buyer as follows:

5.1 Authorization and Enforcement. The Seller is a corporation, duly organized and validly existing and has all requisite corporate power and authority to own, lease and operate its properties and to carry on the Business. If and when the Bankruptcy Court enters the Sale Order, as defined in Section 6.1 hereof, and the Settlement Order, the Seller will have full power and authority to perform this Agreement and the transactions contemplated by this Agreement (the "Seller Documents"). Assuming the Bankruptcy Court shall have entered the Sale Order and the Settlement Order, the Seller will have full power and authority to enter into this Agreement and the Seller Documents and to carry out the terms hereof and thereof without the consent of any other person (except those material consents which will have been obtained or are necessary despite entry of the Sale Order). The Seller has duly executed and delivered this Agreement and the Seller Documents, and, by virtue of the Sale Order and the Settlement Order, this Agreement and the Seller Documents will be valid and binding obligations of the Seller enforceable in accordance with their terms.

5.2 Compliance. The execution, delivery and performance of this Agreement and the Seller Documents by the Seller, the compliance by the Seller with the provisions of this Agreement and the Seller Documents, and the consummation of the transactions contemplated by this Agreement and the Seller Documents will not conflict with or result in the breach of any of the terms or provisions of or constitute a default under:

- (a) the certificate of incorporation or by-laws of the Seller; or
- (b) any material statute or any order, rule or regulation or any decision of any Legal Authority applicable to the Seller.

5.3 Consents. Other than the Sale Order or pursuant to the laws, orders or regulations governing pay phone service providers in the jurisdictions where the Sale Assets are located, no consent, authorization or approval of any third-party is required to be obtained in

connection with the execution, delivery and performance of this Agreement and the Seller Documents.

5.4 Brokers. The Buyer has no obligation to pay any fees or commissions to any broker, finder, agent or other intermediary in connection with the negotiation or consummation of the transactions contemplated hereby as a result of any action or agreement of the Seller.

5.5 Litigation. Other than the Bankruptcy Case, there are no claims, actions, suits, inquiries, investigations or proceedings before any Legal Authority pending against the Seller which adversely affect the transactions contemplated hereby.

5.6 Disclaimer of Warranties.

“AS-IS CONVEYANCE.” Except as set forth in Section 5 hereof, Seller disclaims any representations or warranties related to the Sale Assets including, without limitation, the following:

**(a) Buyer warrants, acknowledges and agrees that buyer is purchasing the Sale Assets in an “as-is” and “where-is” condition “with all faults” and all physical latent or patent defects. Except as expressly set forth in this Section 5 Buyer acknowledges that it has not relied and is not relying upon any information, document, or other literature, projection, pro forma statement, representation, guarantee, or warranty (whether express or implied, or oral or written, material or immaterial) that may have been given by or made by or on behalf of the Seller.**

**(b) Buyer acknowledges to and agrees with the Seller that with respect to the Sale Assets, and except as set forth in this Section 5, the Seller has not, and will not make any warranties or representations, express or implied, or arising by operation of law, including, but in no way limited to, any warranty of condition as to merchantability, or fitness for a particular use, or with respect to the value, profitability or marketability of, the Sale Assets.**

**(c) Buyer acknowledges that it has been afforded the opportunity to undertake such due diligence and to make such legal, factual, and other inquiries and investigations as buyer deems necessary, desirable or appropriate with respect to acquiring the Sale Assets. Such inquiries and investigations have included, but have not been limited to, leases and contracts pertaining to the sale assets, the status of all licenses and permits of or pertaining to the Sale Assets, the physical components of all portions of the Sale Assets, the condition of the Sale Assets (including the existence of any hazardous or toxic wastes or other contaminants), and the value and marketability of the sale assets.**

**(d) Without in any way limiting the generality of the preceding subsections 5.6(a) through (c) above, Buyer specifically acknowledges and agrees that Buyer hereby waives, releases, and discharges any claim it has, might have had or may have against the Seller with respect to the condition of the assets, either patent or latent, as well as Buyer’s ability or inability to obtain or maintain licenses, permits, certificates,**

accreditations, authorizations or consents for the use or operation of the Sale Assets, the actual or potential income or profits to be derived from the Sale Assets, and, except as expressly set forth in this Section 5 any other state of facts which exists with respect to the Sale Assets.

## Section 6

### Pre-Closing Covenants

6.1 Bankruptcy Court Approval. The Seller shall use its best efforts to obtain and shall pursue in good faith Bankruptcy Court approval of the transactions contemplated by this Agreement (the "Sale Order"); provided, however, that Seller shall have no obligation to pursue an appeal of a decision of the Bankruptcy Court.

6.2 Access to Sale Assets. Prior to the Closing Date, the Seller shall continue to afford to the Buyer and its authorized representatives reasonable access during normal business hours to the Seller's offices for the purpose of preparing for the transfer of the Sale Assets.

### 6.3 Preservation of Sale Assets.

(a) Except as otherwise required by law or expressly permitted by this Agreement, the Seller and the Buyer agree that they shall not after the date of this Agreement and until the Closing:

(i) dispose of, or agree to dispose of, any of the Sale Assets other than in the ordinary course of business or lease or license, or agree so to lease or license, any of the Sale Assets other than in the ordinary course of business;

(ii) cancel, fail to maintain in force or change any policy of insurance relating to the Sale Assets or any policy or bond providing substantially the same coverage unless such cancellation or change is effective only on or after the Closing;

(iii) waive, release, grant or transfer any rights of value or modify or change any existing license, lease, contract or other agreement or arrangement affecting the Sale Assets except in the ordinary course of business.

(b) Except as otherwise required by law, ordered by the Bankruptcy Court or expressly permitted by this Agreement, Seller shall after the date of this Agreement and until the Closing:

(i) use reasonable efforts to maintain all of the Sale Assets in good operating condition, reasonable wear and tear excepted, consistent with past practices; and

(ii) operate the Business on a going-concern basis and in the ordinary course.

6.4 Employees. The Seller shall not terminate any of the Seller's current employees in Florida prior to Closing without cause, but will terminate all such employees at Closing and shall not rehire any of them for at least two years without Buyer's written consent. Buyer will determine at Closing who it wishes to hire.

6.5 Liquidated Damages for Breach by the Buyer. Interest earned on the Purchase Deposit, if any, shall be paid to the recipient of the Purchase Deposit, without any allowance to Buyer for interest in the event the Purchase Deposit is paid toward the Purchase Price. If the Closing does not occur within 20 business days of the Sale Order, or as otherwise provided therein, as a consequence of a breach by the Buyer of its obligations under this Agreement or the failure of the Buyer to close for any reason other than the Seller's material breach of this Agreement, the Seller shall be entitled to retain the Purchase Deposit as liquidated damages. If the transactions contemplated by this Agreement fail to close as a consequence of a breach by the Seller of its obligations under this Agreement, or fail to close other than as a consequence of a breach by the Buyer of its material obligations under this Agreement, the Buyer shall be entitled to a return of the Purchase Deposit.

6.6 Remedies for Breach by the Seller. In the event of a violation or breach of this Agreement by the Seller, the Buyer shall have no claim for monetary damages against the Seller, its officers, directors or employees, other than the return of the Purchase Deposit.

## Section 7

### Conditions to Obligations of the Buyer

The obligations of the Buyer under Sections 2 and 3 of this Agreement are subject to satisfaction, at or prior to the Closing, of each of the following conditions, any one or more of which may be waived in writing by the Buyer:

7.1 Representations, Warranties and Covenants. All representations and warranties of the Seller made in this Agreement and the Seller Documents shall in all material respects be true and correct on and as of the Closing Date with the same force and effect as if made as of that date. All of the terms, covenants, conditions and agreements set forth in this Agreement and the Seller Documents to be complied with and performed by the Seller at or prior to the Closing shall in all material respects have been complied with or performed thereby.

7.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and the Settlement Order, and such Sale Order shall not have been vacated or modified and the effectiveness thereof shall not, as of the Closing Date, be subject to a stay by a court of competent jurisdiction. Subject to the preceding sentence, so long as the Sale Order contains the findings required by section 363(m) of the Bankruptcy Code, the Buyer shall close on the Closing Date irrespective of whether any period in which the Sale Order may be appealed or subjected to further review has expired.

## Section 8

### Conditions to Obligations of the Seller

The obligations of the Seller under Section 2 of this Agreement are subject to satisfaction, at or prior to the Closing, of each of the following conditions, any one or more of which may be waived in writing by the Seller:

8.1 Approvals. All material authorizations, consents and approvals of all Legal Authorities and third parties required to be obtained in order to permit consummation of the transactions contemplated by this Agreement, if any, shall have been obtained and be reasonably satisfactory in form and content to the Seller.

8.2 Representations, Warranties and Covenants. All representations and warranties of the Buyer made in this Agreement shall in all material respects be true and correct on and as of the Closing Date with the same force and effect as if made on and as of that date. All of the terms, covenants, conditions and agreements to be complied with and performed by the Buyer on or prior to the Closing shall in all material respects have been complied with or performed thereby.

8.3 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and the Settlement Order, and such Sale Order shall not have been vacated or modified and the effectiveness thereof shall not, as of the Closing Date, be subject to a stay by a court of competent jurisdiction.

8.4 Upset Bids. This Agreement shall be subject to upset bidding with the understanding that the Seller shall request the Bankruptcy Court approve bidding procedures in which competitive bids are to exceed the Purchase Price by at least two hundred thousand dollars (\$200,000.00). The Buyer shall be entitled to participate in the bidding, consistent with the procedures of the Bankruptcy Court and the court filings governing the auction. In the event Seller, in its sole discretion, believes acceptance of an upset bid to be in the best interest of the Seller's bankruptcy estate, Seller may accept such bid. Upon acceptance of an upset bid, this Agreement shall be without further force and effect except with respect to those provisions of the Agreement which are specifically intended to survive the termination of this Agreement; provided, however, that if the Sale Order so provides, the Buyer shall have the option to leave its deposit with the Seller until the Closing and be considered the "back-up" bid in case the Closing with the winning bidder does not take place, with the understanding that the Buyer's highest bid at the auction shall be its back-up bid. In determining whether to accept an upset bid, Seller must take into account the \$500,000 asserted value of the Settlement Agreement, and shall be bound by any determination of the value of the Settlement Agreement as found by the Court in light of any evidence presented by Buyers as to the value in excess of \$500,000. Only if the upset bid exceeds this price can the Seller consummate such a contract.

## Section 9

### Termination

9.1 Right of Parties to Terminate. This Agreement may be terminated:

- (a) by the Buyer, if the Seller shall have breached any of its material obligations hereunder; or
- (b) by the Seller, if the Buyer shall have breached any of its material obligations hereunder; or
- (c) by Seller's acceptance of an Upset Bid as provided in Section 8.4 above, and subject to the back-up bid provisions thereof.

9.2 Effect of Termination. If either the Buyer or the Seller terminates this Agreement pursuant to Section 9.1, such party shall promptly give written notice thereof to the other party to this Agreement. Except as otherwise provided in Sections 6.5 and 6.6, such termination shall release the other party, its officers, directors and employees from any further liabilities and obligations with respect to this Agreement.

## Section 10

### Closing

10.1 Time and Place of Closing. The closing of the transactions contemplated by this Agreement (the "Closing") shall take place at the offices of Powell, Goldstein, Frazer & Murphy LLP, 191 Peachtree Street, Atlanta, Georgia, unless any other location is agreed to in writing by the parties, on the first business day after the fulfillment or waiver of the last of the conditions precedent to this Agreement as stated in Sections 7 and 8, and within twenty business days of the entry of the Sale Order. The date scheduled for the Closing pursuant to this Section 10.1 shall be referred to as the "Closing Date".

10.2 Obligations of the Seller at Closing. At the Closing, the Seller shall deliver or cause to be delivered to the Buyer the following documents and take the other actions identified below:

- (a) an assignment and bill of sale, conveying all of the Sale Assets, including the ANI's, and, to the extent available, original pay phone contracts for each location, to the Buyer without warranties or representations except as provided in this Agreement;
- (b) a closing certificate, pursuant to which the Seller represents and warrants to the Buyer that its representations and warranties to the Buyer are true and correct in all material respects as of the Closing Date as if then originally made and that all covenants required by the terms hereof to be performed by the Seller on or before the Closing Date, to the extent not waived by the Buyer in writing, have been so performed in all material respects;
- (c) a copy of the Sale Order;

(d) all other documents and instruments as may be reasonably necessary and required to consummate the transactions contemplated by this Agreement and the Sale Order approving and authorizing this Agreement and the transactions contemplated thereby; and

(e) such other documents as the Buyer may reasonably request.

10.3 Obligations of the Buyer at Closing. At the Closing, the Buyer shall deliver or cause to be delivered the following documents, and take the other actions identified below:

(a) payment of the Purchase Price in accordance with Section 3;

(b) a certified copy of resolutions of the Buyer's board of directors or governing body authorizing the execution, delivery and performance of this Agreement and all agreements contemplated hereby;

(c) an assignment and assumption agreement assuming the executory contracts, listed in Section 2.2 hereof, in form reasonably acceptable to the Seller;

(d) a closing certificate pursuant to which the Buyer represents and warrants to the Seller that the Buyer's representations and warranties to the Seller are true and correct in all material respects as of the Closing Date as if then originally made, and that all covenants required by the terms hereof to be performed by the Buyer on or before the Closing Date, to the extent not waived by the Seller in writing, have been so performed in all material respects;

(e) all other documents and instruments as may be reasonably necessary and required to consummate the transactions contemplated by this Agreement and the Sale Order; and

(f) such other documents as the Seller may reasonably request.

The parties hereto agree that a facsimile transmittal of their signature, confirmed verbally by telephone by their counsel, shall be binding upon them as a delivery of the relevant executed document for the Closing, and that documents may be validly executed through counterpart originals. However, the Buyer may demand that confirmation of the receipt of the Purchase Price by Buyer's financial institution prior to the delivery of any such documents.

## Section 11

### Survival

All representations, warranties, covenants and agreements made in this Agreement or in any exhibit, schedule, certificate or agreement delivered in accordance with this Agreement shall survive the execution and delivery of this Agreement, but shall be extinguished and be of no further force or effect after the Closing except to the extent explicitly provided herein. After the Closing, no party shall have any recourse against any other party or its officers,

directors or employees for a violation or breach of this Agreement by such other party except to the extent explicitly provided herein and pursuant to the Bankruptcy Code.

## Section 12

### Other Provisions

12.1 Further Assurances. After the Closing, each of the parties will take such actions and execute and deliver to the other party such further documents, instruments of assignment, conveyances and transfers as, in the reasonable opinion of counsel to the requesting party, may be necessary (a) to ensure, complete and evidence the full and effective transfer of the Sale Assets to and assignment to and assumption of the assumed contracts by, the Buyer pursuant to this Agreement; (b) to notify all necessary LEC's that the ANI's are to be transferred from the Seller to the Buyer; and (c) to fully and completely consummate the transactions and agreements contemplated by this Agreement.

12.2 Books and Records. After the Closing, the Buyer shall maintain all business records, books of account, files, invoices, and other materials relating to the Florida operations of the Seller prior to the Closing for a period of three years.

12.3 Benefit and Assignment. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective permitted successors and assigns.

12.4 Entire Agreement. This Agreement and the schedules and exhibits referred to herein and the Sale Order constitute the entire agreement and understanding of the parties and supersede any and all prior agreements, arrangements and understandings relating to matters provided for herein, except that this provision shall have no effect upon the Settlement Agreement.

12.5 Amendment, Waiver. The provisions of this Agreement may be amended or waived only by an instrument in writing signed by the party against which enforcement of such amendment or waiver is sought. Any waiver of any term or condition of this Agreement or any breach hereof shall not operate as a waiver of any other such term, condition or breach, and no failure to enforce any provision hereof shall operate as a waiver of such provision or of any other provision hereof.

12.6 Governing Law, Jurisdiction. **The construction and performance of this Agreement will be governed by the laws of the State of Delaware. The Bankruptcy Court shall have exclusive jurisdiction with regard to all matters relating to the interpretation and enforcement of this Agreement until the earlier of (i) the closing of the Seller's Bankruptcy Case, or (ii) the expiration of eighteen months after Closing. Included in this provision is the right of Buyer to compel any recalcitrant party to a cured Florida Site Contract or lease to obey the provisions of the order assuming and assigning the same. Thereafter, jurisdiction shall lie in any court of competent jurisdiction.**

12.7 Notices. Any notice, demand or request required or permitted to be given under the provisions of this Agreement (a) shall be in writing; (b) shall be delivered personally, including by means of facsimile, overnight express delivery, or mailed by registered or certified

Upon the motion dated November 9, 2001, of Debtors<sup>1</sup> for the entry of an order pursuant to sections 363, 365 and 1146 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330 (as amended and supplemented, the "Bankruptcy Code"), authorizing and approving Debtors' proposed sale (the "Sale") of all of their right, title and interest in and to the Florida branches of Debtors' operations, together with certain personal property related to the operation thereof (collectively, the "Florida Operations"), free and clear of all liens and encumbrances, pursuant to that certain asset purchase agreement between Debtors and United Payphone Owners, LLP ("United Payphone"), authorizing the assumption and assignment or rejection of certain ancillary contracts and leases related to the operation of the Florida Operations (the "Motion"); and notice of the Motion having been given as set forth in the Motion; and a hearing on the Motion having been held before this Court on November 27, 2001, at which time all parties in interest were

afforded an opportunity to be heard; and upon the Motion and the hearing on the Motion; and after due deliberation thereon, and good cause appearing therefor;

**IT IS HEREBY FOUND AND DETERMINED THAT<sup>2</sup>:**

A. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1134. Venue of this case in this district is proper pursuant to 28 U.S.C. § 1409(a). Determination of the Motion is a core proceeding under 28 U.S.C. § 157(b)(2). The statutory predicate for the relief requested herein is sections 363, 365 and 1146 of the Bankruptcy Code and Rules 2002, 6004 and 6006 of the Federal Rules of Bankruptcy Procedure (“Bankruptcy Rules”).

B. Proper, timely, adequate and sufficient notice of the Motion, the opportunity to submit higher and better bids and the sale of the Florida Operations has been provided in accordance with the Bankruptcy Code, Bankruptcy Rules and this Court’s Order Establishing Notice Procedures. No other or further notice is required.

C. A reasonable opportunity to object or be heard regarding the relief requested in the Motion has been afforded to all interested persons and entities, including: (a) the United States Trustee; (b) counsel to the Creditors’ Committee; (c) all governmental taxing authorities who have, or as a result of the sale of the Florida Operations may have, claims, contingent or otherwise, against Debtors in connection with its ownership of the Florida Operations; (d) all parties, if any, who are known to claim interests in or liens upon the Florida Operations; (e) all parties who may have expressed an interest in the Florida Operations; (f) all

parties to the Ancillary Contracts as hereinafter defined; (g) all payphone owners; and (h) all other persons and entities required to receive notice pursuant to the Order Establishing Notice Procedures [Docket No. 1190].

D. Approval of the Purchase Agreement and consummation of the sale of the Florida Operations at this time is in the best interests of Debtors, their estates and creditors. Debtors have articulated good and sufficient business justification supporting the sale of the Florida Operations to United Payphone pursuant to section 363 of the Bankruptcy Code.

E. The consideration of \$3,662,500 to be paid by United Payphone under the Purchase Agreement constitutes adequate and fair value for the Florida Operations.

F. All connections between United Payphone and Debtors have been adequately disclosed. The Purchase Agreement was: (i) negotiated, proposed and entered into in good faith, from arm's-length bargaining positions by Debtors and the United Payphone; and (ii) constitutes the highest or otherwise best offer received for the Florida Operations. United Payphone is entitled to the protections of a good faith purchaser pursuant to section 363(m) of the Bankruptcy Code with respect to the transaction approved hereby.

G. The Florida Operations constitute property of Debtors' bankruptcy estate within the meaning of section 541(a) of the Bankruptcy Code.

H. Pursuant to the Purchase Agreement, the Ancillary Contracts listed on Exhibit A hereto have been identified by United Payphone as contracts to be assumed by Debtors and assigned to United Payphone. Pursuant to the Purchase Agreement, the Ancillary Contracts listed on the attached Exhibit "B" to the Order are not contracts to be assumed by United Payphone. Because Debtors will no longer be conducting operations in Florida, Debtors have

exercised their business judgment and desire to reject the Ancillary Contracts attached hereto as Exhibit "B" to the Order. The Ancillary Contracts listed on Exhibit "B" to the Motion are separately listed herein as Exhibits "A" and "B". Prior to the November 27, 2001 hearing on the Motion, the Debtors served notice of the assumption and assignment, or rejection of the Ancillary Contracts listed on Exhibit "B" to the Motion.

I. United Payphone has provided adequate assurance of their future performance under the Ancillary Contracts being assumed within the meaning of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code and the assumption and assignment of the Ancillary Contracts on Exhibit "A" to the Order is in the best interest of Debtors' estates and the creditors.

J. Debtors have exercised sound business judgment in rejecting the Ancillary Contracts attached hereto as Exhibit "B" to the Order, and such rejection is in Debtors' and their creditors' best interest.

**NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is hereby **GRANTED**.
2. The terms and conditions of the Purchase Agreement are approved in all respects, and the sale of the Florida Operations pursuant to the Purchase Agreement is authorized under sections 363(b), 363(f) and 363(m) of the Bankruptcy Code.
3. Pursuant to section 363(f) of the Bankruptcy Code, the Florida Operations shall be transferred to United Payphone and upon the closing under the Purchase Agreement shall be free and clear of any liens, claims and encumbrances, with any such liens, claims or

encumbrances to attach to the proceeds of the sale in the order of their priority, with the same validity, force and effect which they now have as against the Florida Operations. All assets, as set forth in the Purchase Agreement, shall be transferred to United Payphone, including all licenses, franchises, certificates, automatic number identifiers and operating permits, and shall become property of United Payphone without further order.

4. Except as may be expressly permitted by the Purchase Agreement, all persons and entities holding liens, claims and encumbrances of any kind and nature with respect to the Florida Operations hereby are barred from asserting such liens, claims or encumbrances of any kind and nature against United Payphone, its successors or assigns, or the Florida Operations.

5. If any person or entity that has filed documents or agreements evidencing liens on or interests in the Florida Operations shall not have delivered to Debtors prior to the closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, or releases of all liens or other interests which the person or entity has with respect to the Florida Operations, Debtors are hereby authorized and directed to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Florida Operations.

6. The proceeds of the sale of the Florida Operations shall not be disbursed without further order of the Court except where required to cure any defaults in order to assume and assign any executory contracts and unexpired leases included in the sale.

7. Debtors are authorized to execute and deliver, and empowered to fully perform under, consummate and implement, the Purchase Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to

implement the Purchase Agreement, and to take all further actions as may reasonably be requested by United Payphone for the purpose of assigning, transferring, granting, conveying and conferring the Florida Operations to United Payphone.

8. If the parties to the Purchase Agreement consummate the transaction contemplated thereby while an appeal of this Order is pending, such parties shall be entitled to rely upon the protections of section 363(m) of the Bankruptcy Code, absent any stay pending appeal granted by a court of competent jurisdiction prior to such consummation.

9. Pursuant to section 1146(c) of the Bankruptcy Code, the transfer of the Florida Operations to United Payphone is not subject to taxation under any state or local law imposing a stamp, transfer or similar tax.

10. The Purchase Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court, provided that any such modification, amendment or supplement is not material and adverse to Debtors.

11. As provided by Bankruptcy Rule 6004(g), because the agreed closing date shall occur within ten (10) days of the entry of this order, or as soon thereafter as the parties may otherwise agree, this order shall be effective and enforceable immediately upon entry.

12. The Ancillary Contracts listed on Exhibit "B" to the Order shall be and hereby are deemed terminated and rejected. The parties to such rejected contracts shall have thirty (30) days from the date of this Order to file a proof of claim for any and all damages arising from such rejection. Debtors' service of this Order on such parties shall constitute adequate notice of this bar date for filing claims.

13. The Ancillary Contracts listed on Exhibit "A" to the Order shall be and hereby are assumed by Debtors and assigned to United Payphone on the closing date of the sale; provided that all defaults under the respective assumed contracts are cured. Upon assignment to United Payphone, the assumed contracts shall be valid, binding, in full force and effect and enforceable in accordance with their terms as between the United Payphone and the other party to the contracts. Pursuant to section 365(k) of the Bankruptcy Code, Debtors shall be and hereby are relieved from any further liability with respect to the Ancillary Contracts assumed and assigned.

14. Debtors are authorized and empowered to take such actions as are necessary and appropriate to implement the terms of this Order.

15. Each and every federal, state and local government agency or department is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement.

16. This Court retains jurisdiction (a) to enforce and implement the terms and provisions of the Purchase Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith, (b) to resolve any disputes arising under or related to the Sale including but not limited to the assignment of Ancillary Contracts, and (c) to interpret, implement and enforce the provisions of this Order.

PSA, Inc. ("PSA"), one of the above-captioned debtors and debtors in possession (the "Debtors"), respectfully request that this Court, pursuant to Rule 2002 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and section 102 of title 11, United States Code (the "Bankruptcy Code"), enter an order providing that notice of the Debtors' Motion for Order Authorizing: (I) Sale of Debtors' Florida Operations Pursuant to Sections 363 and 1146 of the Bankruptcy Code, Free and Clear of All Liens and Encumbrances, Subject to Higher and Better Offers; (II) Rejection or Assumption and Assignment of Ancillary Contracts Related Thereto Pursuant to Section 365 of the Bankruptcy Code; and (III) Granting Related Relief (the

"Motion") be shortened as provided below.

1. The Debtors seek an Order from this Court, pursuant to Local Bankruptcy Rule 9006-1(e), (1) shortening the time for notice of the Motion from twenty (20) days to eighteen (18) days and (2) approving the form and manner of notice provided.

2. As more fully set forth in the Motion, on October 16, 2001, in satisfaction of the requirements of Bankruptcy Rules 2002, 6004 and 6006, the Debtors served, by First Class mail, the Notice of Hearing, Notice of Auctions and Solicitation for Bids on Certain of Debtors' Business Assets, and Terms and Conditions of the Auctions [Docket No. 1913] (the "Notice," annexed hereto as Exhibit "A"), detailing the bidding procedures and the proposed terms of the Motion on all interested parties in these cases, including: (a) the United States Trustee; (b) counsel to the Creditors' Committee; (c) relevant state and local taxing authorities; (d) all parties, if any, who are known to claim interests in or liens upon the California Operations; (e) all parties who may have expressed an interest in the California Operations; (f) all parties to the Ancillary Contracts as hereinafter defined; (g) all payphone owners; and (h) all other persons and entities required to receive notice pursuant to this Court's Order Establishing Notice Procedures, dated March 15, 2001 [Docket No. 1190]. Such service is in compliance with the Court's standing order and pursuant to the Debtors' representations to the Court at the October 15, 2001 hearing.

3. In light of the previously served Notice, the Debtors intend to serve all local parties by hand, and all other notice parties by overnight mail and to limit notice of the Motion to the United States Trustee, counsel to the Committee, all parties attending the Auction, and all parties requesting notice pursuant to Rule 2002. The Debtors submit that no other, or further notice is required.

4. Entry into the Purchase Agreement<sup>1</sup> at the November 27, 2001 hearing is in the best interests of the Debtors' estates and will net approximately \$3,662,500 to fund the operating expenses of the Debtors (including payroll expenses) and administrative expenses of the estates to effectuate the plan for the benefit of the estates and their creditors.

---

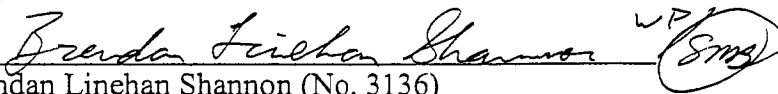

<sup>1</sup> Unless otherwise defined herein, all capitalized terms shall have the meanings ascribed to them in the Motion.

5. Sufficient cause exists for shortening notice and approving the form and manner of notice, detailed herein, and is appropriate under the circumstances so that the Motion can be heard on November 27, 2001. The estates will be spared great costs of having to serve over 30,000 parties. It is more efficient and cost effective for the Debtors, the Court, and other parties in interests to consummate the sale contemplated in this Motion and allow for the closing of the sale in a timely manner within the ten-day period after the November 27, 2001 hearing date designated in the Purchase Agreement. In light of these circumstances, the Debtors respectfully submit that (i) cause exists for the reduction of the notice period proposed hereby, and (ii) no party in interest will be prejudiced by the relief sought herein.

WHEREFORE, the Debtors respectfully request the entry of an order (1) shortening the time for notice, (2) approving the form and manner of notice provided, and (3) granting such other and further relief as may be just and proper.

NOTICE IS HEREBY GIVEN that on November 14, 2001, Debtors shall seek authority to consummate sales of their California and Florida payphone operations and routes, including payphones and related equipment and contracts, as set forth on the exhibit attached hereto (the "Business Assets"). Debtors have received an initial offer of \$940,800 (plus additional amounts to be agreed upon for certain additional miscellaneous assets) for the California payphone operations from Northwest Paytele Communications, Inc. Debtors received an offer from Old Mission Assessment Company ("OMAC") for Florida payphone operations in conjunction with a settlement that Debtors value in excess of \$4.1 million dollars. The proposed sales will be conducted in accordance with procedures previously approved by the Court's order dated March 15, 2001 (Docket No. 1190) on Debtors' Motion for Order (I) Authorizing Scheduling of Auctions of Debtors' Business Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances, (II) Approving the Terms and Conditions of such Auctions, (III) Fixing the Manner and Extent of Marketing Relating to Such Auctions, (IV) Scheduling Hearings to Approve the Sale and the Assumption and Assignment or Rejection of Certain Executory Contracts and Unexpired Leases by Debtors, and (V) Approving Procedures for Miscellaneous Sales of Nominal Assets Pursuant to Sections 363(b), 363(f), 365(a), and 365(f) of the Bankruptcy Code (Docket No. 432) dated February 28, 2001 and served on all parties in interest in this case on March 7, 2001. PSA, Inc., ETS Payphones, Inc., and related entities, the above-captioned chapter 11 debtors and debtors in possession, (collectively, "Debtors") shall subject the offers received to any higher and better offers at public auction (the "Auction(s)"). The Auction for the California Operations shall be held on November 8, 2001 at 2:00 p.m. Eastern Standard Time at the offices of Powell, Goldstein, Frazer & Murphy LLP, 191 Peachtree St. NE, 16<sup>th</sup> Floor, Atlanta, GA 30303. The Auction for the sale of Florida Operations shall be held at the same location on November 9, 2001, at 10:00 a.m. Eastern Standard Time. Bidder(s) may also participate in the Auction(s) telephonically if bidder(s) comply with the bidding procedures set forth below and post a deposit of ten percent (10%) of the total amount of the bid(s). All inquiries should be made in writing directly to Matthew Holley, Powell, Goldstein, Frazer & Murphy LLP, 191 Peachtree St. NE, 16<sup>th</sup> Floor, Atlanta, GA 30303; email: mholley@pgfm.com; facsimile: (404) 572-6999.

NOTICE IS FURTHER GIVEN that a hearing will be held before Erwin I. Katz, United States Bankruptcy Judge, on November 14, 2001, at 11:30 a.m., or as soon thereafter as counsel may be heard (the "Hearing"), in the United States District Court, J. Caleb Boggs Federal Building, 844 King Street, Wilmington, Delaware 19801, at which time Debtors will seek the entry of an order or orders approving the sale(s) of the Business Assets to the successful bidder(s) and the assumption and assignment or rejection of any executory contracts or unexpired leases associated therewith.

NOTICE IS FURTHER GIVEN that the Auctions will be subject to the Terms and Conditions set forth below.

**TERMS AND CONDITIONS OF AUCTION**

1. Debtors hereby solicit bids for the sale of their interests in the Business Assets attached hereto as Exhibit "A." Bids for the Business Assets may be received by private written bid prior to or at the Auction(s). Bids for the Business Assets may be received for the entire California Operations and the entire Florida Operations or for individual Business Assets.
2. The Business Assets will be offered to the bidder(s) making the offer(s) that Debtors deem to be, in their discretion, the highest or best offer. All sales are subject to approval of the Bankruptcy Court.
3. Interested persons may obtain financial and other information about the Business Assets by contacting Matthew Holley in writing at the address listed above.

4. To become a qualified bidder, potential bidders must provide Debtors at or before the Auction(s) with either certified financial statements or evidence of financial wherewithal, experience and other relevant considerations, and any other information Debtors may, in their discretion, require to determine the bidder is able to consummate a transaction as contemplated herein.
5. In addition, at or before the Auction(s), to be qualified to bid upon assets exceeding \$500,000.00 in aggregate value, potential bidders must deliver to Debtors' counsel \$50,000.00 in Good Funds, as defined below, which amount shall be applied to a successful bid or returned upon written request to Debtors' counsel within two business days. At the option of an unsuccessful bidder, the funds may be left on deposit with Debtors' counsel to keep a bid in place as a backup. If a successful bidder on a sale approved by the Court shall fail to close by the "Closing Date," as defined below, the \$50,000 or the ten percent (10%) general deposit required (whichever is larger) shall be retained by Debtors as liquidated damages, and not a penalty, it being agreed by the parties participating in the Auction in advance that actual damages are impossible of precise determination.
6. All offers accepted by Debtors and, at the election of the bidder any offers which are not deemed at the Auction(s) to be the highest or best offer, shall remain open and irrevocable until the Closing (as such term is defined herein).
7. To the extent a bid involves any contingency, delayed payment, or non-cash component, Debtors may, at their option, value such components at any amount, including zero, and the bidder shall have no rights of appeal whatsoever from such valuation.
8. Successful bidders must, at the conclusion of the Auction(s) or within such extended period as Debtors may permit, deliver to Debtors Good Funds in an amount equal to ten percent (10%) of their bid, which will not be refunded, but will be retained as liquidated damages if the bidder fails to consummate the sale of the Business Assets within the time period required herein or as extended by agreement of Debtors. (A deposit to obtain qualified-bidder status shall be a credit toward the ten percent.)
9. At the close of the Auction(s), with consultation from the Creditors' Committee, Debtors shall consider Auction(s) results for the Business Assets. Debtors shall seek approval from the Court at the Hearing for the qualified bid or bids which they believe represent the highest or best offer or offers received for the Business Assets.
10. After consultation with the Committee, Debtors reserve the right (a) to determine in their discretion which competing qualified bids, if any, for the Business Assets is the highest or otherwise best qualified bid and (b) to reject any bid which Debtors after consultation with the Committee believe to be (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, or the terms of the sale order, or (iii) contrary to the best interests of Debtors and their estates.
11. Any bid that requires submission to the Department of Justice and the Federal Trade Commission under the Hart-Scott-Rodino Antitrust Improvement Act of 1976 (the "HSR Act") shall, upon Debtors' request, be accompanied by the bidder's HSR Act application. Upon the request of a party submitting an HSR Act application, Debtors shall take reasonable steps to ensure the confidentiality of the information, subject to dissemination on a confidential basis to counsel for the Committee.
12. If a closing with a successful qualified bidder is not concluded by the Closing Date, as defined below, or within such other time as is further agreed by Debtor, after consultation with the Committee, Debtors may, without further Court approval or order, conclude the contemplated transactions with the next highest or best qualified bidder in accordance with the terms of the next highest or best qualified bidder's bid, providing such bid has been approved by the Court as a back-up bid.
13. The Business Assets shall be transferred on an "AS IS," "WHERE IS," and "WITH ALL FAULTS" basis. **DEBTORS EXPRESSLY DISCLAIM ALL EXPRESS AND IMPLIED WARRANTIES WITH RESPECT TO THE BUSINESS ASSETS, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**
14. All of Debtors' interests in the Business Assets sold shall be sold free and clear of all liens, claims and encumbrances with all liens, claims or encumbrances, if any, attaching to the net proceeds of the sale with the same force and in the same priority as currently exists, subject to the order of the Court approving the sale.
15. After Debtors announce the first acceptable bid on a Business Asset at the Auction(s) for the specific Business Assets, each subsequent bid must exceed the previous bid by not less than \$200,000 for Business Assets where the bid price exceeds \$2,000,000; by \$100,000 for Business Assets where the bid price is between \$1,000,000 and \$2,000,000; by \$50,000 for Business Assets where the bid price is between \$500,000 and \$1,000,000; and by \$10,000 for Business Assets where the bid price is between \$50,000 and \$500,000. When the bid price is less than \$50,000, Debtors will set minimum bids at the Auction(s). Debtors retain the right to lower any minimum incremental bids at the Auction(s) in Debtors' discretion.
16. By participating in the Auction(s), each qualified bidder shall be deemed to have reviewed the Business Assets and all pertinent documents before bidding and to rely solely on its review in making any offer.
17. If deemed to be the successful bidder for a Business Asset, immediately upon the conclusion of the Auction scheduled for that particular Business Asset (or by such time as Debtors may agree), such qualified bidder shall deliver good funds by certified, bank check, wire or other acceptable means ("Good Funds") to Debtors, in an amount equal to ten percent (10%) of the purchase price of such Business Asset (the "Purchase Price Deposit"). The amount deposited to become a qualified bidder shall be a credit against the ten percent (10%) deposit.

18. Debtors shall have no duties or obligations except those expressly set forth herein and shall not be required to invest the deposits in an interest earning account or to segregate each deposit, but may, in their sole discretion, do so. If there is a dispute between a qualified bidder and Debtors, Debtors shall have the right to retain the Purchase Price Deposit, and either party may apply to the Court for a determination of the rights and obligations of the parties. The Court shall retain jurisdiction to resolve all disputes with respect to the Purchase Price Deposit.
19. The closing of the sale of Debtors' interests in the Business Asset (the "Closing") shall take place (i) within ten business days following approval by the Court of the sale and the entry of the order approving the assumption, assignment and sale of the leases to the successful bidder, or (ii) at such later time as may be agreed to by Debtors in their sole discretion, not to exceed an additional twenty days unless otherwise provided by the Court (the "Closing Date"). With respect to the Closing, time is of the essence against the bidder and to the benefit of the Debtors. In the event Debtors do not consummate the sale of the Business Assets for any reason (other than the successful bidders failure to consummate a sale of the Business Assets), Debtors' sole obligation shall be to refund the Purchase Price Deposit to the bidder.
20. At Closing, the successful bidder shall pay the balance of the purchase price in Good Funds.
21. All adjustments to be made in connection with the Closing shall be made as of midnight of the date preceding the Closing (the "Adjustment Date"). Any adjustments attributable to escalation or pass-through charges that would be billed after the Adjustment Date shall be made based upon the most recent billing received by Debtors for such charges. The bidder shall be liable for all obligations from the Adjustment Date forward and shall indemnify Debtors with respect thereto.
22. All bidders with respect to the Business Assets shall provide the following information to Debtors (unless Debtors shall waive any aspect hereof) either (a) at the time of the bidder's written offer if made prior to the Auction(s), or (b) prior to the commencement of the Auction(s):
  - a. the full name and identity of the proposed purchaser and the proposed operator of the Business Assets;
  - b. a current financial statement and such other proof of financial condition of the proposed purchaser and operator or guarantor, if any, as Debtors may reasonably request;
  - c. the names and addresses of the CEO, president and CFO;
  - d. a written statement of the bidder's and/or purchaser's proposed use of the any premises, if acquired;
  - e. proof acceptable to Debtors of the ability of the proposed assignee to perform under the terms of any of the leases to be assumed for which the proposed purchaser has submitted a bid; and
  - f. such other information relating to the financial ability of the proposed purchaser as Debtors may reasonably request.
23. Debtors, after consultation with the Committee, at or before the Auction(s) may impose such other and additional terms and conditions or modify the terms and conditions hereof as Debtors determine to be in the best interest of the estates.
