Re: WebNet Communications, Inc. Docket No. 001109-T1

Dear Ms. Bayó:

This filing is in follow up to WebNet Communications, Inc. ("WNC") October 26, 2001 Final Settlement Proposal relating to Docket No. 001109-T1.

In compliance with Paragraph 3 of the Final Settlement Proposal, WebNet hereby submits a list of its existing Florida customer base. This list provides information relating to each customer's name, address, telephone number and date of service initiation of all 1804 current customers.

The filing also serves to correct an error in WNC's amended Notice Letter, filed with the Commission on November 2, 2001. The amended Notice Letter incorrectly identified the toll free number that customers may call if they have questions regarding WNC's cessation of service. The correct number is 877-880-0166. A corrected Notice Letter is also attached hereto.

### Re: CESSATION OF OPERATION IN FLORIDA

Dear Customer:

As you may be aware, residential long distance companies across the country are experiencing difficulties. These difficulties are a result of various influences, including an incredibly competitive market, increased operating costs and marketing and economy of scale advantages of large incumbent carriers. Even the large carriers are experiencing difficulties and many are on the verge of insolvency. Understandably, under these influences, smaller carriers like **WebNet Communications, Inc.** ("WNC") are often unable to generate the necessary profit margins needed to continue operations. Thus, WNC reluctantly has decided to exit the long distance market in Florida.

WNC will cease its operations in Florida on **February 8, 2002**. What this means for you as a customer is simply this: You will need to find a new long distance or local toll provider before that date if you wish to avoid a break in your service. **WE ESPECIALLY WANT YOU TO KNOW, HOWEVER, THAT IF WNC IS YOUR LONG DISTANCE PROVIDER, THIS WILL NOT AFFECT YOUR LOCAL PHONE SERVICE.**

If you have any questions, please feel free to contact us at 1-877-880-0166.

We thank you for your patronage and it has been our privilege to have you as a customer.

Sincerely,

M. Howard Lewis  
President  
WebNet Communications, Inc.
