RE: Docket No. 980498-TP - Petition by GTC, Inc. d/b/a GT Com to terminate interLATA access subsidy and convert to payment of access charge revenue directly to GTC, Inc. d/b/a GT Com.

ISSUE 1: Should the Commission, on its own motion, dismiss GTC's Petition and close Docket No. 980498-TP?

PRIMARY RECOMMENDATION: Yes. Staff recommends that the subject of GTC's Petition has been rendered moot by the Commission's decision in Docket No. 970808-TL and the Supreme Court's affirmance of that decision as it pertained to GTC. Therefore, this Petition should be dismissed with prejudice.

ALTERNATIVE RECOMMENDATION: In the alternative, the Commission should, on its own motion, dismiss this Petition without prejudice, and close the docket because there has been no activity in the case for over one year.

**DENIED**

ISSUE 2: Should this docket be closed?

RECOMMENDATION: Yes. If the Commission approves either of staff's recommendations in Issue 1, this docket should be closed.
