IN RE: Docket 011460-TX
ILD

Dear Ms. Bayo:

This will acknowledge ILD's failure to reply to "Year 2001 Local Competition Report Data Request" dated July 6, 2001 resulting in its violation of Section 364.183 (1). The failure was an oversight on my part in that I assumed (without reading the entire letter) that a response was not required since ILD did not provide local exchange services in 2001.

To avoid similar occurrences in the future, I can assure the Commission that all future Data Requests will be carefully scrutinized to make sure that ILD obligations are noted and that timely responses are provided.

To settle this issue and close the Docket, I propose a settlement of \$250 as a fine for the violation.. If this is acceptable, please advise the undersigned at 972/529-1858 at your earliest convenience so that we may close this issue. I have enclosed an extra copy of this letter that I request you date stamp and return in the SASE for that purpose.

Very truly yours,
