RE: Docket # 011409-TX

Dear Blanca,

I am enclosing in this package all of the information that was faxed to your office in reference to Docket # 011409. I have been speaking to two of the staff members there, they told me to write a letter to explain the information in the package.

- Enclosed : Copy of Docket
- Original Faxed Survey
- Original Fax logs and copy of phone log
- Original Letter about fax
- Original phone bill for that period

All these things are in reference to the survey that your office did not receive. From the information about this I have been able to compile this is what happened. We completed the survey and attempted to fax it out on 7/26/01 at 10:57AM and had an error when connecting. It should have been faxed again later that day or on 7/27/01 but according to our long distance bill and fax log it never went out. I am not sure why it was never resent or if the person sending it believed it went through on the first attempt.

If there is any other information you need in reference to this matter please contact me at (561)841-8020

Sincerely,

Kevin D. Clarke
