Dear Ms. Bayo:

This is in response to Order No. PSC-01-2193-PAA-TI issued August 16, 2001 in Docket No. 011039-TI.

We have had this telecommunications certificate since 1999 and apologize that the Florida Public Service Commission had to establish a docket to collect the regulatory assessment fee. The reason I did not pay it prior to this is because I did not receive the form, or it would have been taken care of immediately. I now understand that the form is mailed every mid-December and fee is due by January 30. I will personally make sure that this does not occur in the future; TransNet Connect does want to keep its certificate active. My check in the amount of \$68.50 for the 2000 fee, including penalty and interest, is enclosed.

TransNet Connect agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, it is our understanding that Commission staff will bring the matter to the Commission for consideration.

Based on this, I respectfully request that the Commission accept my proposal to pay a \$100.00 settlement instead of the \$500.00 fine imposed. Should you have any questions please do not hesitate to contact me personally.

Sincerely,

Stan Crews, C.E.O.
