RE: Docket No. 980706-EI, Recommendation concerning Tampa Electric Company's Request for Confidential Classification of its Commercial/Industrial Service Rider report for the quarter ended September 30, 2001, Document No. 13101-01.

On October 15, 2001, Tampa Electric Company (TECO) filed a Request for Confidential Classification of certain information contained in TECO's Commercial/Industrial Service Rider (CISR) report for the quarter ended September 30, 2001. The confidential information is located in Document No. 13101-01. The report was filed in accordance with Commission Order No. PSC-98-1081-FOF-EI, issued August 10, 1998, Order Approving Commercial Industrial Service Rider and Pilot Study Implementation Plan for Tampa Electric Company. TECO asserts that certain information contained in the report is entitled to confidential classification pursuant to Section 366.093, Florida Statutes. TECO contends that the information for which confidential classification is requested is intended to be and is treated by TECO as private and has not been publicly disclosed.

TECO specifically requested confidential classification for the cumulative total revenues associated with all Contract Service Agreements (CSA) executed. Staff agrees with TECO's assertion that the release of the information contained in the report could cause harm to both TECO and the customers that have entered into the CSA. Public disclosure of the information would impair TECO's ability to negotiate terms and conditions in future CSAs that are favorable to TECO and its customers.

Staff recommends that the information referenced in Document No. 13101-01 be granted confidential classification pursuant to Section 366.093, Florida Statutes.
