Re: Silver City Abandonment

Dear Larry:

I am writing this letter at your request regarding the proposed abandonment by Silver City. As I indicated in my previous letter to you, the County has no intention of operating a plant that far from a service area. The only basis upon which the County could provide service to the mobile home park would be by extension of a water line from our nearest water plant over ten miles away. I also wanted to confirm to you and the Commission our intention to cooperate with the Public Service Commission in every way possible to bring this matter to a successful conclusion. If you have any questions or need anything else, don't hesitate to call me.

Sincerely yours,

Thomas A. Cloud, Esquire
