### Re: DialTek, LLC: Docket No. 011228-TX Urgent Action Requested: Deferral of Action Set for December 4, 2001

Dear Ms. Bayo:

DialTek, LLC, d.b.a. DTK Telecommunications, LLC (herein, "DTK"), was notified in September of this year by Paula J. Isler, Research Assistant, that a docket was opened for nonpayment of the 2000 Regulatory Assessment Fee (RAF) and for not providing the Commission with an updated address and phone number.

Yesterday, Barbara Bailey informed us that this matter is on the December 4, 2001 agenda of the Florida Public Service Commission ("Commission"). We wish to do all that is necessary to maintain our telecommunications certificate. In this regard, we are appreciative that Barbara Bailey faxed to us the requirements for keeping the certificate active.

DTK hereby requests deferral of action by the Commission on December 4, 2001 and offers the following settlement proposal with respect to the items on the Commission's December 4, 2001 agenda, Docket No. 011228-TX:

- 1. A check is enclosed for \$68.00 representing the 2000 Regulatory Assessment Fee of \$50.00, late payment penalty of \$12.50 and late payment interest of \$5.50.
- 2. Enclosed is a completed, executed Commission Regulatory Assessment Fee Return.

- Updated reporting information: Charles Power, DTK managing member, is the contact person for DTK; the mailing address for DTK is P.O. Box 2789, Woodinville, WA 98072-2789; the telephone and fax numbers for DTK are (206) 660-3865 and (425) 424-3377 respectively; the e-mail address for DTK is <u>Cpower@starband.net</u>.
- 4. The Company has established a time sensitive tickler system to ensure that regulatory reports are filed and assessment fees are paid in accordance with Commission requirements.
- 5. The Company agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration.
- 6. DTK offers to pay \$200.00 to the Commission to settle this matter.

We apologize for the inconvenience that DTK has caused to the Commission and Commission staff. If you have any questions or need further information, please call me

at (206) 660-3865./ Very truly yours. Charles Power Managing Member Enclosures: check for \$68.00 ALEC Regulatory Assessment Fee Return Paula J. Isler w/o enclosures cć:
