STRUCTUS

The Building Blocks for Internet Service

November 21, 2001

Proposed Settlement for Docket Nos. 011094-TI and 011308-TX

TJ416

Dear Ms. Bayo,

Enclosed is a check in the amount of \$135.00 and the applicable completed 2000 Regulatory Assessment Fee document on behalf of Structus TeleSystems, Inc. ("Structus"). Also enclosed is the 2001 RAF document.

Structus would like to keep its two certificates active and in compliance with Commission rules. We are a start up company and we have not generated any revenue to date as a CLEC in the state of Florida. We are currently in a ramp up mode.

We apologize for the oversight in the filing of these documents. We did not receive previous correspondence concerning this action. The gentleman who was the previous contact left our employment in late 2000. Additionally, we moved our offices from 1401 Main St, Suite M-100 to 1401 Main St, Suite 601. Neither the CEO nor myself have personally seen previous correspondence concerning the RAF Returns for 2000 or 2001. We have taken the necessary steps to correct the mailing address and contact information on file with your office. We have also discussed our mailing address change with our postal carrier.

Structus agrees to waive any objection to the administrative cancellation of its certificates should we fail to pay in accordance with this settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration.

Structus respectfully proposes to pay \$100 for each certificate (\$200) as monetary settlement for the violation. This proposed monetary settlement will be paid within 10 business days after the Commission Order is issued.

We appreciate your consideration of this settlement offer and, please do not hesitate to contact me at 803-376-0075, ext 15 should you have any questions.

Sincerely,

AL MILLER

Chief Operating Officer
