RE: Proposed Settlement for Docket No. 011290-TX
USA Digital, Inc.

Dear Ms. Bayo:

This letter is in response to a notice received today regarding the above-referenced Docket. We have previously submitted a check in the amount of \$67.50 and a copy of the RAF, which according to our records, was mailed on 1/23/01 to your office.

USA Digital agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If however, there is a factual dispute as to the manner or level of compliance with any provision on the settlement, Commission staff will bring the matter to the Commission for consideration.

At this time we do not generate any revenue in connection with this Certificate. USA Digital respectfully proposes to pay \$100 as monetary settlement for the violation, which will be paid within ten (10) business days after the Commission Order is issued.

We respectfully request that the current Certificate be kept active. Thank you for your consideration. Please contact me at 813-221-8373 if I may provide further information.

Sincerely,

Mark D. Cobb
President
