RE: Close Docket Request for Docket No. 011265-TP- Complaint by BellSouth Telecommunications, Inc. Against Network Plus, Inc. Regarding Practices in the Reporting of Percent Interstate Usage for Compensation for Jurisdictional Access Services

On September 25, 2001, BellSouth Telecommunications, Inc. (BellSouth) filed a complaint against Network Plus, Inc. regarding practices in reporting of percent interstate usage for compensation. However, on December 3, 2001, BellSouth filed a Notice of Voluntary Dismissal of Complaint. In its Notice, BellSouth states that it withdraws and voluntarily dismisses, with prejudice, its Complaint.

Therefore, since the Commission does not need to take any action on this matter, pursuant to Section 2-07.1 C.5(d), APM, staff requests that this docket be closed.
