Re: Docket 011369-TP, Request by BellSouth Telecommunications, Inc. for approval of second amendment to CMRS interconnection agreement with PrimeCo Personal Communications, L.P. d/b/a Verizon Wireless.

Dear Mrs. Bayó:

On October 17, 2001, BellSouth and PrimeCo Personal Communications, L.P. d/b/a Verizon Wireless filed a request for approval of an amendment to existing CMRS agreement with PrimeCo Personal Communications, L.P. d/b/a Verizon Wireless for Florida Public Service Commission approval. The cover letter did not correctly present the nature of the original filing involved, and it should be changed.

Please use this letter to correctly style the submittal to include the required FPSC information to include the following: **"The initial agreement between the companies was filed in Docket 970488-TP which was approved via Order No. PSC-97-0920-FOF-TP issued August 4, 1997."**

I would appreciate your assistance in correcting the filing and record in question.

Yours very truly,

*Marshall M. Criser III*
