Can you confirm that? There is nothing in the docket file to indicate Bell filed the tariff, nor was there any mention in the consummating order. We will place the confirmation in the docket file.

Kay

It is my understanding that the tariff has already been filed. That's why it says close the docket.

Beth, the consummating order in this docket was issued 12/17 (yesterday). It indicated the docket was to be closed. Actually the docket must remain open for BellSouth to submit a new tariff filing. Please issue an amendatory order. Order number will be PSC-01-2458A-CO-TL.

Thank you.
