RE: Proposed Settlement for Docket No. 011292-TX
Florida Multi- Media Services, Inc.

Dear Ms. Bayo:

It has come to our attention that the Public Service Commission has received our completed Alternative Local Exchange Company Regulatory Assessment Fee Return for the period 05/10/2000 to 12/31/2000 along with our check for \$67.00, but apparently did not receive our Proposed Settlement for Docket No. 011292-TX

Please find enclosed a copy of our letter dated October 15,2001 hoping to address this matter.

Florida Multi Media Services, Inc. wishes to keep its Certificate active and in compliance with Commission rules.

We have adjusted our records to reflect the necessity of filing both an Interexchange and an Alternative Local Exchange Company Regulatory Assessment Fee Return.

The Company agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration.

The company respectfully proposes to pay \$100.00 as monetary settlement for the violation, which will be paid within 10 business days after the Commission Order is issued.

We appreciate your consideration of this settlement offer. Should you have any questions regarding this or any other matter concerning the company, I can be reached at (352) 375-4139.

Sincerley,

Peter Van Duyne

RE: Proposed Settlement for Docket No. 011292-TX
Florida Multi- Media Services, Inc.

Dear Ms. Bayo:

Please find enclosed a check in the amount of \$67.00 and the completed Alternative Local Exchange Company Regulatory Assessment Fee Return for the period 05/10/2000 to 12/31/2000.

Florida Multi Media Services, Inc. wishes to keep its Certificate active and in compliance with Commission rules.

We did respond to the late notice mailed February 21, 2001 by completing and remitting an Interexchange Company Regulatory Assessment Fee Return. The notice referenced our "2000 Regulatory Assessment Fee". At that time we were not aware that there were two applicable regulatory assessment fees. The forms and instruction being so similar in appearance, we apparently mistook them for being two copies of the same form.

As a response to your most recent letter, we have adjusted our tax database to reflect the necessity of filing both an Interexchange and an Alternative Local Exchange Company Regulatory Assessment Fee.

The Company agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration.

The company respectfully proposes to pay \$100.00 as monetary settlement for the violation, which will be paid within 10 business days after the Commission Order is issued.

We appreciate your consideration of this settlement offer. Should you have any questions regarding this or any other matter concerning the company, I can be reached at (352) 375-4139.
