Re: DialTek, LLC d/b/a DTK Telecommunications, LLC
Florida Public Service Commission Docket No. 011444-TX

Dear Ms. Bayo:

We hereby acknowledge receipt of a Notice issued December 6, 2001 by the Florida Public Service Commission of Commission Conference Agenda setting a conference date and time of December 17, 2001, 9:30 a.m. DialTek, LLC ("DialTek") is on the agenda - Docket No. 011444. It is my understanding based on a conversation between a member of my staff and Angela Fondo that Dialtek, LLC appears on the agenda because it failed to respond to a questionnaire submitted by the Commission which is apparently used for budget purposes and that this docket agenda item has been or will be rescheduled for another date and time.

We apologize for failing to provide the Commission with the information requested. The failure of DialTek, LLC to provide this information was due to an inadvertent oversight on our part due to changes in personnel at the company and/or a change of address.

By letter dated November 27, 2001, DialTek provided you with its new address as well as other updated reporting information. The letter was sent to you because of a Commission notice informing DialTek of Docket No. 011228-TX and your requirements for keeping our certificate active.

We have implemented procedures designed to ensure that DialTek responds to all
