FPSC-COMMISSION CLERK

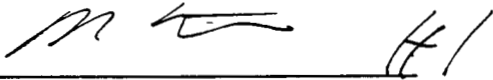

Section 25-24.840(5): This subsection would require the ALEC to update the LIDB daily so that it reflects accurate account ownership and toll restriction information. Verizon recommends that the rule be revised to require daily updates only if there have been changes in account ownership and toll restriction information. Verizon suggests the following changes to the first sentence of the subsection:

(1) Each ALEC shall update the LIDB ~~daily~~ *se as necessary (but no more frequently than daily)* to ensure that the LIDB reflects accurate account ownership and toll restriction information.

(The rest of the subsection would remain the same.)

Respectfully submitted on December 24, 2001.
