By letter dated September 21, 2001, BellSouth Telecommunications, Inc. filed a request for approval of adoption of the interconnection, unbundling, resale, and collocation agreement entered into between BellSouth Telecommunications, Inc. and Metromedia Fiber Network Services, Inc. approved by the Commission in Order No. PSC-99-1442-FOF-TP, issued July 26, 2001. ALEC, Inc. is adopting the interconnection, unbundling, resale, and collocation agreement approved by the Commission in its entirety and all amendments pursuant to Section 252(i) of the Telecommunications Act of 1996.

Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(i) requires that a local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved by the state commission to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement in its entirety.
