Okay. We'll leave as-is (with "paging") included until we get something from Bell.

Yes. We will need to change the title. However, we cannot change the title until we get a revised filing from BellSouth. FYI the correct title would be "...one way interconnection agreement..."

I'm checking new dockets, and found that we opened this BellSouth docket last week (11/14) for approval of "one-way paging interconnection agreement."

Do you have your copy of the filing? The letter refers to "paging" agreement in the "RE" and then the attachment indicates it's a paging agreement. The first paragraph refers to an "IUR" agreement. Can you take a look at it and advise if we need to change the docket title.

Kay
