I believe that all the parties were noticed about the workshop. But, I thought that closing out the docket might be confusing and the notice would be a reminder that the workshop has not been cancelled. It would be ok with me if you didn't send a notice.

Lee, we have your memo to close 990538. It indicates the notice of the undocketed workshop should be sent to the interested persons in 990538. However, that notice was issued 11/15, and I believe it would be very untimely to send it to anyone else at this point.

What do you think?
