.....
This is City Gas's security application. The company's name (as they're certificated with us) is "City Gas Company of Florida." The name doesn't include "a Division of NUI Corporation." I believe we need to call them by their certificated name in the agenda and later on the order--to keep the record straight. Please let me know if questions or concerns. Kay

P.S. If the company has changed its name, they need to file a name change notification with us.
