Yes, I have a copy with the deposit info on it and I'll forward it to you. I see you have a statement here for Jackie Knight, but her name is not on this e-mail. Just thought I'd mention that. Since the docket closed in February I believe we can still enter this info in that docket.

Hi Linda -- Toni forwarded the documentation on this to me. The \$100 check should be credited to IdealDial Corporation, TI398, which is a settlement for Docket No. 001239-TI. The problem is that the docket is already closed and IdealDial's certificate cancelled because they did not pay the settlement within 10 days of the Order. Linda, has the check been deposited? There was no deposit number or date deposited stamped on the documentation that Toni provided me. If it has been, please send me a copy with the deposit number stamped on it.

Jackie -- can you please make sure that this \$100 is credited to the proper company code?

Jessica -- This is one of the cases where we accepted the settlement before we required the companies to put in the waiver statement. In other words, this company has not had a point of entry. Will this make a difference? Should we leave the docket closed and certificate cancelled? Please advise.

Thanks to all.

I have seen any PATS applications with that name and Jackie Gilchrist hasn't seen anything either. Have you asked Doug in the Mailroom?

Is there a phone number on the check? Let me know and I will call them. If we lost the application, maybe they saved a copy and could fax one to us. It won't be an original, but I think it would work in this circumstance.

Let me know.

Toni

Hi Toni. We have a copy of a \$100 check from Fiscal for the above company. I can't find that company anywhere in the system. They say it's for a filing fee. Have you seen anything for this company. The check is dated 2/23/01.
