CLARIFICATION

Ladies and Gentlemen:

Yesterday we faxed you a request to please copy our attorneys on all future correspondence sent to NorthPoint. Some states have misunderstood our request to mean "send a copy of all existing files."

Our only concern is that our attorneys receive a copy of all future correspondence relating to NorthPoint Communications so that they may help us respond to your concerns as quickly as possible.

Also note that a copy of the fax you received yesterday was also mailed. Please ignore that letter when you receive it.

Our request is not specific to any docket number - NorthPoint's conditions of operation petition was originally granted in Docket No. 99270-1A, but we need you to mail copies of all correspondence to our attorneys:

We received a copy of a letter today from NorthPoint Communications, Inc. to "all governors and state utility commissions" giving notice that they have filed application with FCC for permanent emergency discontinuance of service. Should we put this in the cancellation docket (010368)?
