Re: Notification of Address Changes/Modifications

Dear Ms. Bayo:

Recently the Florida Public Service Commission received copies of modifications to addresses and representatives for certain entities of MCI WorldCom. The Company has subsequently changed its e-mail address. Also, staff has brought to my attention that not all of the changes have been incorporated.

To avoid any confusion, attached is the most current list of the entities, and the information required by the Commission, including the company liaison, and how to contact him or her. Please note the correct zip code for the regulatory contact for BLT Technologies, Inc., and Southernnet Systems, Inc., and the change in regulatory liaison for LDDS WorldCom, ATC Long Distance, and Biz Tel Corporation.

Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact me at your earliest convenience.

Sincerely,

I represent Time Warner and need to update the e-mail address for the person listed as the Time Warner contact on the PSC website.

If you go to the list of ALECs, and select Time Warner Connect, the e-mail address for Carolyn Marek is marek.carol@aol.com. This address is obsolete and should be updated to carolyn.marek@twtelecom.com.

Could you also include the new address under the Time Warner Telecom listing?

Also, could you search the website and update her address each time it appears?

Please let me know if you have any questions or whether I need to contact someone else to update the address.

Thanks!

Karen Camechis

Dear Ms. Grant:

Subject: Update Company Codes TL710 and TF859 Contact Information

Pursuant to your telephone conversation with Linda Rossy of my staff, please find attached the Change of Information on Regulated Utility form for Verizon's company codes TL710 (certificate number 31) and TF859 (certificate number 4962). Verizon currently receives the Agenda, Report of New Dockets, Weekly Summary of Orders, and Notices of Hearings, Workshops and Rulemaking addressed to Ms. Menard. Please change the addressee to Ms. Robinson on these as well.

Additionally, the list of current dockets for Verizon shown on the Commission's website (960847-TP, 960980-TP, 960986-TP, 990321-TP, 991376-TL, 000604-TL, 001332-TL, 001715-TP, 001718-TP, 001745-TP, 001767-TP, 001769-TP, 010046-TP, 010047-TP, 010073-TP, 010074-TP, 010089-TP, and 010102-TP) should be changed to reflect as the party of record:
