Re: Docket No. 990988-WS - Investigation into the retention of the certificated area of Mad Hatter Utility, Inc. located on Lake Thomas and School Road in Pasco County.

Dear Mr. Spencer:

Pursuant to our conversation yesterday, I checked with the Commission's Division of Records and Reporting to investigate why you had not received an updated Case Assignment and Scheduling Record (CASR). It appears that this was due to an oversight which has now been rectified. Therefore, I have enclosed an updated CASR for your records.

In order to ensure that all of your future correspondence is filed properly, please type or print the above-referenced docket number on all correspondence and address all correspondence to the following address:

Florida Public Service Commission
Division of Records and Reporting
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0870

DOCUMENT NO.
17426-01

In addition, you may access information concerning your case via the Commission's website (www.psc.state.fl.us) or the Governor's website (www.myflorida.com) which contains a link to our website. The Commission's website allows you to download recommendations and Orders, and to check a docket for filings and changes to the CASR. However, it is important to note that changes to the CASR and filings in the docket are not listed instantaneously because the Commission's website is updated nightly.

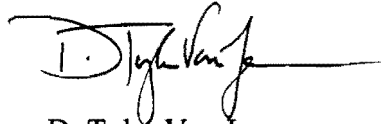

Mr. Thomas Spencer

We received a letter today from Paul Pritchard of Hallmark Land Trust. He has asked Deloras Johnson "to act as his agent" and asks that she be allowed to represent his interests on Tuesday [agenda]. I will put copies of the letter in the interoffice mail to you. We will also add his name to the mailing list in the docket as an interested person.

I will add your language to the directive language on the vote sheet and in the minutes. The addition will read:

"Additionally, staff was directed to meet with Mr. Spencer, the developer, to help him understand what is needed to complete the development's application process with Mad Hatter."

There are times, in capturing Commissioner decisions on the vote sheet, when we have to decide whether or not a "directive" should be included in the recorded decision. If it is clear the directive will be included in the order, we do add it to the vote sheet. In this case, I understand from talking with Legal that the directive WILL be mentioned in the order; thus, it is appropriate to reflect it on the vote sheet.

Thanks for bringing this to my attention!

Kay, my interpretation is slightly different than your added verbage.

Staff is to meet with the developer, Mr. Spencer, to help him understand what is needed to complete the development's application process with Mad Hatter.

I reviewed the tape of discussion of this item after I got your copy of the minutes with comment concerning additional action by staff. The Commissioners voted to approved staff's recommendation; Commissioner Palecki also asked staff to take some additional action. I will add to the vote sheet:

"Additionally, staff was directed to work with Mr. Spencer and Mad Hatter to determine what Mad Hatter requires."
