I checked with Nonnye and we have no memo to close the docket. Nonnye says the dockets listed on the request for change form for 12/17/01 agenda are not supposed to closed until 4/02. Is this one that we are going to close sooner?

Maybe you can send us a copy of what you have.

I'll check with Nonnye and see if she has it. Sandy's section is the one who actually closes the docket. I'll get back with you.

This company submitted evidence that they did fax a response to us, I submitted a close docket from to CCA on Friday morning. I was just making sure that you do have it, the company is calling because it has not yet been posted on the docket.

Thanks
