RE: Docket No. 011270-TC

Dear Mr. Lannon:

This Commission has received your company's application for a certificate to provide pay telephone service in Florida. A review of the Florida Department of State records revealed that you are not the sole owner of the fictitious name, Wired Communications.

On October 2, 2001, we spoke concerning this issue and the options of amending your application or revising the ownership of the fictitious name with the Florida Department of State. On November 2, 16, 21, and December 4, 2001, I called and left messages on your answering machine asking for a status report. On November 21, 2001, I sent you an e-mail on this issue and also requested that you answer questions 12, 13, 14, and each section of 15 in the pay telephone application. As of this date you have not responded.

If we do not hear from you by January 22, 2002, we will assume that you no longer want to pursue certification and we will recommend that the certificate be denied and the docket closed. Please contact me at 850-413-6127 if you want to continue the application process.

Sincerely,

Nancy Pruitt
