Docket No. 011077-TP

Filed: January 11, 2002

ACCESS INTEGRATED NETWORKS, INC.'S PRIORITY LIST

Pursuant to the Staff request in its Memo of December 20, 2001, ACCESS Integrated Networks, Inc. ("ACCESS") files its list of priorities.

For purposes of the initial list, and to emphasize the urgency associated with them, ACCESS has designated only those issues that, in its view, warrant the most expedited attention. ACCESS has designated the level of UNE rates -- identified in FCCA's pleading -- as the first priority. ACCESS has assigned a priority of "2" to several categories of anticompetitive behavior that, in ACCESS' view, are related and should be regarded as of equal importance. ACCESS urges the Commission to address these subjects at the earliest opportunity.

ACCESS reserves the right to designate additional issues at the appropriate time.
