The attorney, Jason Fudge, has suggested slightly different wording for the title modification. Can you handle it?

Thanks!

I would prefer "and deletion of portion of wastewater territory in Certificate No. 361-S held by Highlands Utilities Corporation" The words "acknowledge agreement" suggest that the Commission cannot change it. While they may ultimately acknowledge the agreement, lets wait and see what the appropriate language should be.

Please add to the docket title:

and acknowledge agreement to delete a portion of wastewater territory in Certificate No.
