**Re: Docket No. 011426-TX C2C Fiber of Florida, Inc.  
Year 2001 Local Competition Report Data Request**

Dear Ms. Bayo:

I received notice regarding our subsidiary C2C Fiber of Florida, Inc.'s failure to comply with Section 364.183 (1) , F.S., Access to Company Records. After discussing the matter with you, it was learned that a letter was sent to us on July 6, 2001 wherein we were requested to provide certain data to the Florida Public Service Commission. Although the letter was received by our office, it was not received by me and thus no report was filed. After a thorough investigation, I have no explanation as to why this letter was misplaced.

This letter is to confirm to you that C2C Fiber of Florida, Inc. does not do any business in the State of Florida at this time and does not intend to provide service within the next 12 months. This letter shall also serve as our request to not be fined for our failure to provide the information nor have our certificate revoked.

We have reviewed our internal procedures and believe now we will not misplace any such future data requests by your Commission or any others. It was an unintentional oversight on our part, and we apologize for any inconvenience it may have caused.
