RECEIVED FPSC

DATE: January 16, 2002
TO: Linda Dodson, Esquire, Office of General Counsel
FROM: Matthew Brinkley, CPA, Division of Economic Regulation
RE: Docket No. 001148, Document No. 15004-01, Request for Confidentiality

FPL is requesting confidential treatment of certain information contained in Staff's 5th request for production of documents (PODs), numbers 17-22. Staff's recommendations follow.

Grant:

\* all requested lines on pages 00201390, 00201397, 00201398, 00201399, 00201401, 00201411, 00201412, 00201413, 00201414, 00201415, 00201421, 00201428, 00201429, 00201434, 00201437, 00201438, 00201474, 00201475, 00201478, 00201479, 00201480, 00201482, 00201484, 00201485, 00201489, 00201491, 00201493, 00201498, and 00201501.

Deny:

- \* the last two columns on page 00201400 (grant on all other columns);
\* all requested lines on pages 00201403 and 00201431.

All recommended denials were because the information did not appear to relate to competitive financial strategies and interests, the disclosure of which would impair the competitive business of FPL Group and its subsidiaries.

Page 43 of the company's request contains a reference to page 002014 of the POD. No such page exists so a recommendation cannot be made on it. I believe that the above requests and denials address every occurrence of proposed confidential information in the POD submission, so notwithstanding the reference to page 002014, the recommendation is complete.

The above material was received with a request for confidentiality. Please prepare a recommendation for the attorney assigned to the case by completing the section below and forwarding a copy of this memorandum, together with a brief memorandum supporting your recommendation, to the attorney. Copies of your recommendation should also be provided to the Division of the Commission Clerk and Administrative Services, Bureau of Records and Hearing Services and to the Division of Appeals.

Please read each of the following and check if applicable.

The document(s) is (are), in fact, what the utility asserts it (them) to be.

The utility has provided enough details to perform a reasoned analysis of its request.

The material has been received incident to an inquiry.

The material is confidential business information because it includes:

(a) Trade secrets;

(b) Internal auditing controls and reports of internal auditors;

(c) Security measures, systems, or procedures;

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company to contract for services on favorable terms;

(e) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;

(f) Tax returns or tax-related information;

(g) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.

The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.

The material appears not to be confidential in nature. *See line by line recommendation*

The material is a periodic or recurring filing and each filing contains confidential information.
