We'll use the whole name (as it's shown in MCD). I was using short name version for brevity's sake in my first e-mail.

We'll change the docket title and you can print a new blank CASR to use.

Thanks.

Sounds good to me, but I do have the CASR with the "change in name" language in the title - I guess you can change the CASR - I think if you use the language "acquisition of" it should be South Florida Natural Gas as indicated in Doc's letter of December 20, 2001 to Blanca. Also, I did check with Bob Elias - he said use the entire name, not just Atlantic or South Florida. What do you think?

Wayne, I know you've been talking with Linda about this matter, which we just assigned a docket number to (Docket 020067-GU), and I imagine we patterned the title to be similar to the title used in Docket 971134-GU, where WFNG was merged with Peoples d/b/a TECO—and we referred to that transaction as a "name change." However, I believe we need to style this differently than just a simple name change. I would like to title this new docket:

Request for acknowledgment of acquisition of Atlantic Utilities....by Florida Public Utilities Company.

Having the title worded in this fashion gives a better indication of what happened and also gives us better direction for what we'll need to do in MCD. (Once the order is issued, we will then make Atlantic Utilities' company code "inactive.")

Please let me know what you think of this docket title.

Kay
