Re: Docket No. 990649B-TP  
Investigation into Pricing of Unbundled Network Elements (Sprint/Verizon track)

Dear Ms. Bayo:

On January 25, 2002, Verizon Florida Inc. filed its Notice of Service of Responses to Staff's Third Request for Production of Documents (Nos. 47-60) and a Request for Confidential Classification regarding certain information produced in response to POD No. 59. The confidential document, consisting of four pages, had incorrect Bates numbers. Please replace the documents numbered 2372 thru 2375 filed on January 25 with the attached CORRECTED set of confidential pages numbered 2385 thru 2388. Please destroy pages 2372 thru 2375; however, please do not discard the confidential CD also included in the January 25 filing.

We apologize for any inconvenience this may cause. If there are any questions regarding this request, please contact me at 813-483-2617.

Sincerely,

  
Kimberly Caswell
