

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Consideration of
BellSouth Telecommunications,
Inc.'s entry into interLATA
services pursuant to Section 271
of the Federal Telecommuni-
cations Act of 1996.

DOCKET NO. 960786-A-TL
ORDER NO. PSC-02-0141-CFO-TL
ISSUED: January 31, 2002

ORDER GRANTING IN PART, AND DENYING IN PART,
BELLSOUTH'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF DOCUMENT NO. 12922-01

Pursuant to Section 271(d)(3) of the Telecommunications Act of 1996 (the Act), the Federal Communications Commission (FCC) has 90 days to issue a written determination approving or denying a Bell Operating Company's (BOC) application for interLATA authority. Further, the FCC is directed to consult with the appropriate State Commission before making a determination regarding the BOC's entry into the interLATA market. Specifically, the Act requires the FCC to consult with the State Commission in order to verify the BOC's compliance with the requirements of Section 271(c) of the Act. On June 28, 1996, we opened this docket to begin to fulfill our consultative role. The matter was set for hearing.

After hearing, having considered the record, by Order No. PSC-97-1459-FOF-TL, issued November 19, 1997, we rendered findings on whether BellSouth had met the requirements of Section 271(c). Specifically, we found that BellSouth was not eligible to proceed under Track B at that time, because it had received qualifying requests for interconnection that if implemented would meet the requirements of Section 271(c)(1)(A), also known as Track A. Our evaluation of the record on whether BellSouth met the requirements of Section 271(c)(1)(A) indicated that while there was a competitive alternative in the business market, there was not sufficient evidence to determine whether there was a competitive alternative in the residential market. Thus, based on the evidence in the record, we found that BellSouth had not met all of the requirements of Section 271(c)(1)(A).

On March 6, 2001, BellSouth filed a Motion to Request Scheduling Conference. On March 28, 2001, a status conference was

conducted with all of the parties. Thereafter, by Order No. PSC-01-0832-PCO-TL, issued March 30, 2001, the schedule for this proceeding was established. A hearing was conducted in this matter on October 11-12 and 17-18, 2001.

Pursuant to Rule 25-22.006, Florida Administrative Code, on October 10, 2001, BellSouth filed a Request for Confidential Classification of Document No. 12922-01. This request seeks confidential classification of information in BellSouth's Responses to Florida Digital Network's First Request for Production of Documents, Nos. 3(a), 3(c), 3(e), 3(g), and 3(h).

Attachment A contains an explanation of the proprietary information along with a list that identifies the location of the information designated by BellSouth as confidential. Specifically, BellSouth asserts that the information contained in these exhibits includes competitive business information that is confidential and proprietary. Further, BellSouth contends that the public disclosure of this information would damage BellSouth's competitive interests.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006(4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Upon review, it appears that the information in BellSouth's Responses to Florida Digital Network's First Request for Production of Documents, Nos. 3(a), 3(g), and 3(h) for which BellSouth seeks confidential classification is information that if disclosed, would cause harm to BellSouth or its ratepayers by impairing BellSouth's ability to compete. However, on October 12, 2001, during a hearing conducted in this matter, a BellSouth witness testified that information such as that contained in 3(c) and 3(e) would be

provided upon request. (TR 672-673) This testimony is indicative of BellSouth's lack of confidential treatment of this information. Therefore, I find that only BellSouth's request for confidentiality regarding BellSouth's Responses to Florida Digital Network's First Request for Production of Documents, Nos. 3(a), 3(g), and 3(h), comply with Rule 25-22.006, Florida Administrative Code, and Section 364.183, Florida Statutes, and is hereby granted. The request as it pertains to Nos. 3(c) and 3(e) is denied.

Based on the foregoing, it is

ORDERED by Commissioner J. Terry Deason, as Prehearing Officer, that BellSouth Telecommunications, Inc.'s, Requests for Confidential Classification of Document No. 12922-01, as set forth in Attachment A is hereby granted in part and denied in part as provided in this order and is incorporated by reference into this Order. It is further

ORDERED that pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, any confidentiality granted to material specified herein shall expire eighteen (18) months from the date of the issuance of this Order in the absence of a renewed request for confidentiality pursuant to Section 364.183, Florida Statutes. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner J. Terry Deason as Prehearing Officer, this 31st day of January, 2002.

J. TERRY DEASON
Commissioner and Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.

Explanation of Proprietary Information

1. The subject information requested includes competitive business information. This information if released would be unfair to BellSouth for it would allow the competition to have free access to sensitive marketing information developed at significant expense to BellSouth. Competitors would then have an advantage in bidding for such business since they would have few, if any, expenses such as market research and market development to recover, and would bid below BellSouth's cost level. Accordingly, this information is entitled to confidential classification pursuant to Florida Statutes Section 364.183.
2. The subject information includes BellSouth's business plans and other confidential business information of BellSouth. If this information were disclosed publicly, it would damage the competitive interests of BellSouth. Accordingly, this information is entitled to confidential classification pursuant to Florida Statutes Section 364.183.
