Notice and payment was due by January 30, 2001. On February 21, 2001, the Division of the Commission Clerk & Administrative Services mailed a delinquent notice for the 2000 RAF.

After the dockets were opened, the companies listed on Attachment A paid the past due amounts in full and proposed settlements to resolve these dockets.

The Commission is vested with jurisdiction over this matter pursuant to Sections 364.336, 364.285, and 364.337, Florida Statutes. Accordingly, staff believes the following recommendations are appropriate.

DISCUSSION OF ISSUES

ISSUE 1: Should the Commission accept the settlement offer proposed by each company listed on Attachment A to resolve the apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

RECOMMENDATION: Yes. The Commission should accept each company's respective settlement proposal. Any contribution should be received by the Commission within fourteen (14) days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If any of the companies listed on Attachment A fails to pay in accordance with the terms of the Commission Order, that company's respective certificate should be canceled administratively.

penalties and interest as outlined in Section 350.113, Florida Statutes, for any delinquent amounts.

After the individual dockets were established, the companies listed on Attachment A contacted the Commission and requested information on how to resolve the dockets. The companies subsequently paid the past due amounts in full, including statutory penalty and interest charges, and proposed settlements. Each company listed on Attachment A offered to pay a \$100 contribution and proposed to pay future RAFs on a timely basis. In addition, the companies listed on Attachment A included a waiver of objection to the administrative cancellation of their respective certificate in the event the settlement proposal is accepted and the companies ultimately fail to comply with the terms of their offer. These settlement amounts are consistent with amounts accepted for recent, similar violations.

Accordingly, staff believes the terms of the settlement agreements as summarized in this recommendation should be accepted. Any contribution should be received by the Commission within fourteen (14) days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If any of the companies listed on Attachment A fails to pay in accordance with the terms of the Commission Order, that company's respective certificate should be canceled administratively.

ISSUE 2: Should these dockets be closed?

RECOMMENDATION: If the Commission approves staff's recommendation on Issue 1, the docket for each company listed on Attachment A should be closed upon receipt of the \$100 contribution or cancellation of the certificate. (J. Elliott; K. Peña; B. Keating)

STAFF ANALYSIS: If the Commission approves staff's recommendation on Issue 1, the docket for each company listed on Attachment A should be closed upon receipt of the \$100 contribution or cancellation of the certificate.
