By letter dated November 13, 2001, BellSouth Telecommunications, Inc. filed a request for approval of adoption of the interconnection, unbundling, resale, and collocation agreement entered into between BellSouth Telecommunications, Inc. and Level 3 Communications, LLC approved by the Commission in Order No. PSC-01-1486-FOF-TP, issued July 18, 2001. InterCept Communications Technologies, Inc. is adopting the interconnection, unbundling, resale, and collocation agreement approved by the Commission in its entirety pursuant to Section 252(i) of the Telecommunications Act of 1996.

Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(i) requires that a local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved by the state commission to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement in its entirety.
