Re: Docket No. 020001-EI; Tampa Electric Company; Audit Request: Capacity Cost Audit - from January 1 - December 31, 2001; Audit Control No. 02-044-2-1

Dear Ms. Llewellyn:

The Florida Public Service Commission will conduct a Capacity Cost audit for the period from January 1 - December 31, 2001, in accordance with Commission audit procedures. Access will be requested to documents and records of the utility and, if necessary, supporting records for affiliate company transactions that affect regulated operations. Staff auditors may also request to review the utility's external audit working papers for the most recent independent audit. Mr. Jim McPherson, the Tampa district office supervisor, will coordinate this audit. Mr. McPherson can be reached at (813) 356-1444. Questions regarding the audit or audit staff should be directed to the district supervisor or myself. My phone number is (850) 413-6487.

The Audit Access to Records rule for each industry states:

In those instances where the utility disagrees with the auditor's assessment of a reasonable response time to the audit request, the utility shall first attempt to discuss the disagreement with the auditor and reach an acceptable revised date. If agreement cannot be reached, the utility shall discuss the issue with successive levels of supervisors at the Commission until an agreement is reached.
