RE: Docket No. 000824-EI - Florida Power Corporation, Review of Earnings Including Effects of Proposed Acquisition of Florida Power Corporation By Carolina Power & Light, Request for Confidential Classification

Staff reviewed the documents in Document No. 00437-02. Included are staff comments in matrix form, which parallels the justification matrix that Florida Power Corporation (FPC) filed as part of its confidentiality request.

Staff believes that much of the information is dated and may have appeared in other, non-confidential documents provided to regulators, investors, and others. Staff notes that FPC's concern with Subsection 366.093 (3) and 366.093(3)(e) may be too broad since regulators, investors, and others may obtain such publications provided by DRI-WEFA. Staff provided an explanation in the matrix for pages that it believes are not confidential. Those exceptions appear in bold type.
