Dear Ms. Isler:

FEB 20 2002

Pursuant to our phone conversation a few weeks ago and pursuant to your letter dated January 14, 2002, enclosed please find a check for \$150.00 representing Regulatory Assessment Fees for the past two years and the current year. I understand that Florida PSC will not be able to act on my request to formally terminate the certificate issued to KTAI. Please send me a conformation or the Final Order that the certificate has been terminated. Thank you.

Very truly yours,

Michael W. Song, Esq.
