REGULATORY SERVICE
REGULATION

Dear Richard:

Pursuant to our conversation this morning, I am attaching the Affidavit of both the customer noticing and the publication notice again for your information. The publication notice did include a copy of the newspaper ad on the backside (because of its length) of the newspaper proof of publication.

Our Affidavit from Mr. Bates concerning the customer notice, failed to include a copy of the original customer notice, which was distributed by him. That is corrected in the attached revised version. These should become the replacement Exhibits "G" and "I" to the Application and by copy of this letter to the clerk, I am submitting 15 copies to them for that purpose.

Sincerely,

ROSE, SUNDSTROM & BENTLEY, LLP
