Re: Docket No. 010985-TX – Transfer of CRG International, Inc.’s ALEC Certification to OneStar Communications, LLC

Dear Ms. McCoy:

CRG International, Inc. and OneStar Communications, LLC, collectively referred to as “the Parties”, hereby withdraw any request or petition to waive the Commission’s carrier slamming rules, as implied in the Parties original application to transfer certification. It is the Parties intention to provide notice of the pending transaction to the affected customers via direct letter. It is the Parties opinion that providing direct notice will be an effective method of reducing potential slamming complaints. Moreover, the Parties wish to proceed with the transfer of certification without any further delays.

A duplicate of this letter is enclosed. Please date stamp as proof of receipt and return in the envelope provided.

As always, should you have any questions please do not hesitate to contact me at (912) 437-7642 or aliley@onestarld.com.

Sincerely,

April Liley
