RE: Docket No. 010451-TC - Cancellation by Florida Public Service Commission of Pay Telephone Certificate No. 3951 issued to Ronnie Preston Williams d/b/a Visions Vending for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies.

Order No. PSC-01-2299-AS-TC was issued on November 21, 2001, which accepted Visions Vending's \$100 settlement proposal. The Order stated in pertinent part, "Visions Vending must comply with these requirements within ten business days from the date this Order becomes final." In other similar dockets, settlement orders provided that contributions must be paid within ten business days from the date of the Order. According to Commission records, the Commission received the company's \$100 contribution on January 4, 2002. Because the settlement was not received timely, the docket was closed and the company's certificate was cancelled with an inactive date of December 11, 2001.

Since Order No. PSC-01-2299-AS-TC gives the impression that another Order will be issued, staff believes that the \$100 contribution should be shown as received timely and the inactive date removed, leaving Visions Vending's certificate active.
