RE:

Docket No. 011052-TI
NetLojix Telecom, Inc.

Dear Ms. Medeiros-Silveira:

This is just a "gentle reminder" that on February 25, 2002, Order No. PSC-02-0233-AS-TI was issued, which accepted your proposal to pay a \$100 settlement. The Order stated that the \$100 must be received within 14 days of issuance of the Order (March 11th). The Order also states that if payment is not received by the due date, the company's certificate will be administratively cancelled.

I realize payment is not yet due, but because there is such a short turnaround, I thought I would send you this "heads up." When you send payment, please make sure that the name of the company is on the check, along with the docket number.

Let me know if you have any questions.

Thanks, Paula Isler

Re: Docket No. 011052-TI

Dear Ms. Bayo,

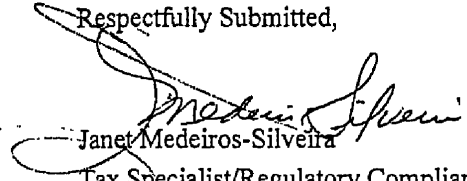

Pursuant to contact and conversation with Paula Isler and Barbara Bailey of the Florida Public Service Commission, our company hereby proposes to settle the above-noted docket, scheduled for conference date December 4, 2001.

We stipulate to your October 22, 2001 acknowledgement of receipt of payment for RAF and penalty and interest charges. We have amended our Florida Filings Register to prompt a timely filing of this return in future years.

We wish to propose a settlement in the amount of one hundred dollars (\$100.00) to mitigate any fines which may be levied, and to estop any cancellation of our certificate. Additionally, we agree to waive any objection to the administrative cancellation of our certificate in the event we should fail to pay in accordance with this settlement proposal.

We trust this proposal will meet with your approval and we await your acceptance and reply.

Respectfully Submitted,

Janet Medeiros-Silveira
