STATE OF FLORIDA  
PUBLIC SERVICE COMMISSION

Docket No. 000028-TL

MOTION FOR EXTENSION OF TIME TO FILE BREIF

Respondent is hereby requesting a 30 day extension to file brief in this matter, which is due on March 4, 2002 for the following reasons:

ONE

Respondent needs further time to obtain counsel, and has consulted with several attorneys, but Only one was willing to handle the matter that has any knowledge of Public Service Commission regulations.

TWO

Preliminary research has divulged that the waiver that Bell South is requesting does not fall Under the guidelines as to what it was intended for and that the commission does not have the authority To enforce this waiver against an individual.

This matter involves the legislature of the Sate of Florida and the attorney needs to meet with Them to finalize this matter.

CONCLUSION

In order to properly represent the issues properly more time will be needed to properly Research this matter since this has never been addressed before.

I have contacted James Mezza's office of Bell South however I am told that Mr. Mezza Is out of town. Therefore I can not get his concurrence or objection.
