Kay, I sent this to Linda this morning, but haven't heard back from her so thought she might be out. Can you have someone handle and let me know? Thanks.

Linda, Fiscal sent me a copy of this request for cancellation and noted that they provided a copy of a letter dated 2/22/00 requesting cancellation. Since the company paid the 2001 RAF, plus P&I, and because they provided proof they had previously requested cancellation, the effective date should be 12/31/01 -- not 3/5/02. Can you please change? Thanks.

Yes, there is a letter to Jackie Knight dated 2/25/02. They said they do not want to pay this again and they are no longer in the payphone business.

The one you're talking about from yesterday was TF365 J.K. Miami Corp.

Did they specifically request cancellation? We had that one yesterday where they put on the form that their payphone was out of service and had no revenues. It turned out they did not want cancellation.

We have a copy of GCL/McLean's letter to this company with notification from FISCAL where they paid 2001 RAFS with P&I. They say they have been out of the payphones business since 1999. Whatcha think?
